THE FOLLOWING MESSAGE IS THE CLARION CALL FOR THE MANKIND

AND THEIR FUTURE OF THE THIRD CIVILIZATION

**The Millennium Prophecy, Heralds a Golden Age
Proclaimed by His Eminency Dr. Hazrat Sheikh Shah Sufi M.N. Aiam
To the Heads of State and World Leaders**

To the honorable heads of state, heads of government, kings, emperors, distinguished religious leaders, intellectuals and scientists; I am disclosing valuable information concerning the future. It is the age of science and the era of utmost improvement in human civilization. It is known from history that this is the second human civilization on Earth. At the time of the Prophet Noah (PBUH), the culture, developed science and education of the first civilization vanished away from the Earth by flood and earthquake. It is also known that four thousand years ago the Atlantic Ocean was once the shape of a continent with different nations, where many cultures lived. According to historical findings, under the Atlantic Ocean there is a lost city called "The Atlantis" (as a continent) collapsed in consequence of universal cataclysm and earthquakes resulting into an ocean. Therefore, we see how tremendous the history of mankind is. Archaeologists and scientists are discovering innumerable relics of human civilization and history through digging and searching the soil. Many aspects of our current civilization is likely to be wiped away completely from the Earth after the year 2020 AD. Human beings will build up the third civilization as indicated in The Sacred Holy Al-Quran, The Tawrat, and The Zabur, The Bible (Ingil), The Kalki Puran (Hindu Sacred Text) and

others.

The present civilization will end after the global year 2020, after the occurrence of a third world war if man does not heed his inner voice. This inner spiritual urging is given expression by the modern prophet His Eminency Dr. Hazrat Sheikh Shah Sufi M N Alam. A new civilization will begin by the permanent peace messenger of Almighty God, the great Imam Mahdi (PBUH) who will come from a region in the Arabian Desert. As desired by God, Jesus Christ (Nabi Isha (PBUH)) is to establish a world government based in Jerusalem creating heaven on earth after the year 2020.

This statement refers to the great transformation, which will occur at the time of the New Millennium. Similar prophecies concerning this period are the subject of most of the world's religions, as well as of astrologers and modern western prophets like Nostradamus, Edgar Cayce and Jean Dixon. This statement is made here as an appeal to the Heads of State, as well as to the people of the planet, to make every effort to bring peace to the planet and to prepare ourselves spiritually for the great events, which are about to occur in our lifetime.

According to the Holy Quran and the leaders of the Sufi Orders, the course of human history and the present conditions are leading to the Third World War and the destruction of the planet. This will result in the dawning of an entirely different system of human values and organizations. According to Sufi cosmology, civilization began with Adam (PBUH) the first man. Biblical floods and earthquakes destroyed this civilization at the time of the Prophet Noah (PBUH) about four thousand years ago. This gave rise to the second and present civilization, which may come to an end unless humanity heeds its inner voice, given expression by the Modern Prophet His Eminency Dr. Hazrat Sheikh Shah Sufi M N Alam.

The present civilization, which is based on military might, economic exploitation and the dependence of the industrialized world on cheap crude oil will pave the way for the Third World War. Other factors contributing to the war are the fragmentation of the Soviet Union and the resultant economic chaos there, and the impoverishment of Africa and Asia. The economic pressure that a unified Europe will place on the United States and the competition for diminishing natural resources will also create pressure.

Incomparable and beyond imagination, the Third World War will cause famine and drought worldwide. The nations of the West will face economic crisis and political instability. There will be no rest in the landscapes or cities like New York, San Francisco, Chicago, including other thirty states of USA, Tokyo, Beijing, Rome, Addis-Ababa, Johannesburg, Sana, Mount Himalaya of Nepal, New Delhi, Calcutta, Bombay, Asham, Tripura of India, Bangkok of Thailand, Dhaka, Khulna, Chittagong, Sylhet of Bangladesh, Tel-abib of Israel, Jakarta, East Temor of Indonesia, Some territories of Russia, Cairo of Egypt, Riyad, Jeddha of Saudi Arabia and some areas of Afghanistan also many other cities, lands, mountains of the World. Natural disasters caused by man-made behavior will also add to the destruction. The prophecy holds that three quarters of all living beings and natural resources will be destroyed by this probable war.

His Eminency Dr. M N Alam's Proclamation is that. In the course of the war, the descendants of Abraham (the Jews, Christians and Muslims) will fight with each other, but none shall dominate. The Earth will be laid to waste in their struggle. A point to be noted. His Eminency Dr. M N Alam is not an enemy of any religion, not even having any personal grounds to publish such real fact but for the spread of the real truth which is "The human being is the crowned creation of Almighty God. And Abraham's descendants. The Jews, Christians, and Muslims, are cousin brothers" in accordance to the Holy Quran.

The war will come to an end after the destruction of the oil supply and technological infrastructure. At this time, when humanity is facing extinction, a self-proclaimed king and god named King Dajjal will appear in the area of the Red Sea. He will decl. ' ' are nimseir '*■ the custodian of heaven and make war on all who do not accept him as their god.

While this situation is occurring, after 2020 a spiritual being called the Great Imam Mahdi (PBUH), an inhabitant of the Arabian Desert, and a descendant of the Prophet Mohammad (PBUH), will be proclaimed as universal leader in the Holy City Mecca, Saudi Arabia. This will occur after the year 2020. On the same year, Jesus Christ (Nabi Isha) (PBUH) is expecting to appear from the blue sky in the city of Damascus, capital of Syria, in the minaret of Holy Umayyad Mosque. Jesus Christ (Nabi Isha) (PBUH) will expel King Dajjal. With the co-leadership of great Imam Mahdi (PBUH) and Jesus Christ (Nabi Isha) (PBUH) heaven on earth will be created for all beings. The people of the Earth will be unified into one Nation, having one Government, and worshipping one God.

The Great Imam Mahdi (PBUH) will establish this New World order in Jerusalem, the unified center of world harmony and peace. Imam Mahdi (PBUH) will then lead humanity into the Golden Age, unifying Heaven and Earth. There will no longer be any destructive intent, or any need for weapons of mass destruction. After the year 2032 Jesus Christ (Nabi Isha) (PBUH), will lead the New World Government approximately until or after December 2052. The people of the Earth will be unified in a confederation of governments. All will accept the Great Imam Mahdi (PBUH) as the universal leader. The mindless power struggle will vanish under his spiritual leadership. This period of peace and joy will last until little after 2052.

After the year 2052 another world leader named King Jahjah will come to power to continue the spiritual legacy. He will lead until 2102. At this time a leader from Africa will emerge and thereafter descendants of his dynasty will lead for the next 900 years. During this time confusion and chaos will again come about. Eventually, the Holy Mosque at Holy Mecca will be destroyed and the spiritual strength of Pure Islam will gradually decline and 7000 years of human civilization may come to an end on the planet Earth. Humanity can have an alternative future, however, if it heeds in time the Holy Voice. The Prince of Peace, the Merciful Source of life, the one living God in his infinite love, speaks to mankind through the voice of the prophets. If humanity heeds the warnings of its inner voice, given expression by the modern prophets, to cease its inhuman behavior, to care for the environment, to respect all life as an expression of Divine intention, only then humanity will sustain spiritual grace and dwell in the house of the Lord for ever more. This too can be our "Destiny."

This gigantic task of research on the Millennium Prophecy statement from the Holy Al-Quran, Old Testament of The Bible, religious research books and opinion of the concerned intellectuals, is also based on astrology, astronomy, geography and philosophy. Included are also the interfaith opinions of the religious personalities of the world from the major religious groups. Natural disasters in North America and Europe, as well as many man-made disasters prefigure many of the realizations of the Prophecy. Former UN Secretary General Dr. Kofi Annan has advised the Millennium Prophecy should be forwarded to the US Mission in NY and taken into the General Assembly and Security Council Agenda.

Statements of the Union of Concerned Scientists Point to the Validity of Millennium Prophecy:

Prominent World scientists have warned humanity that we must take certain actions on behalf of our planet, if widespread human misery is to be avoided in the new Millennium. These 1,600 senior scientists, including 102 Nobel Laureates, target resource management, population control, poverty, sexual equality and maintaining ecological balance of Earth's systems as the five critical areas requiring attention. They tell us that a new attitude of gratitude and responsibility is required by us, if we are to create a harmonious balance between humanity and our environment. The Union of Concerned Scientists is headquartered in Cambridge, Massachusetts, USA.

BACKGROUND HISTORY OF SUFI PROPHECY, HERITAGE AND RECORD:

On the Arabian Peninsula in the sixth century, the Prophet Mohammad (PBUH) preached the religion of humanity to establish permanent peace on the surface of the planet Earth. After re-entering the Holy City of Mecca with the prophet's new vision for mankind, the prophet predicted Sufi Prophecy in presence of 100,000 of his followers.

According to Sufi cosmology, it has been predicted that a child would be born in the Arabian Desert around or after the year 1962. The prediction cited that the child would be born, resembling Prophet Mohammad, in a farmer's house, and will be born within the prophet's family, and His father's name would be Abdullah and his mother's name Aminah. The prophet also indicated that there would be two occurrences after the year 2020; the miraculous reappearance of Jesus Christ (PBUH) and the enlightening arrival of the new messenger of God, Imam Mahdi (PBUH). The child would lead humanity together with Jesus Christ (PBUH) to co-create Heaven on Earth.

This Sufi legacy has been predicted Innumerable times before, first by The Great AN (PBUH) of the seventh century, fourth Khalifa of Islam at Kufa, Iraq, during the ninth century by the Great Sufi Saint Abdul Qader Jilani (PBUH). In the eleventh century, the Sufi Master Sheikh Nyamatulah (PBUH), of Kashmir, India, predicted the details of the prophecy in his fifty-four Persian Poems. Sheikh Mujadded Al-Fesani (PBUH), another Sufi Master at Sher-Hind, West Punjab, India, was detained by Mogul Emperor Akbar in the sixteenth century for his similar predictions.

The forty-third spiritual successor from the prophet of Islam, Chief Khalifa and custodian of Dayera Sharif, of the seven hundred years old Sufi Dynasty and President of the World Spiritual Assembly, His Eminency Dr. Hazrat Sheikh Shah Sufi M N Alam, confirmed this prediction as being true in the Earth Summit & Global Forum in Rio de Janeiro, Brazil, in June 3rd 1992. Through his twenty-five years research of mathematics, astronomy, astrology, theology, science, Sufi cosmology and the exploration of one hundred Eighty six countries, the prophecy has been rationalized and affirmed by the presentation of the Ex-Executive Director, Seshadri Gupta of India. This Prophecy was proclaimed in the Earth Summit and Global Forum at Rio de Janeiro, Brazil, in June 3rd, 1992, for the sole reason of safeguarding human society. It was recorded on radio, television and with other competent authorities.

Originally brought forth in the early 1980s, just as the nuclear arms-race gathered geometric momentum, and as mans strident hostility grew ever louder and less rational, the prophecy pointed to the extreme, yet very real, possibility of mans annihilation. Initially, much abuse was heaped on the well-meaning seer who is the 43rd direct spiritual successor of The Prophet of Islam. Derision greeted his "extremist" views, first expressed to a wide audience at the Global Environment Summit at Rio de Janeiro, Brazil. He has also expressed his views in over seven hundred other conferences, symposiums and in many noted international organizations and meetings held at the five continents of the world.

It is not easy to wake a sleeping giant to a wider reality, particularly if he is asleep, to the fact that he is trapped in a naive and hostile illusion. And it follows that when it is necessary to awaken, the sound of the alarm is always perhaps somewhat jarring to a sleeping man. It may be mentioned here that The Prophet Noah(PBUH) warned his followers, sons and wife till the last moment before the biblical flood of Mount Sana of Yemen, but they refused to attend to his words even then.

Dr. T.H. Rampa, a Tibetan with supernatural powers, has written a profound thesis on the Tibetans religion mythological data entitled "Chapter of Life", in which he mentions that near or after the year 2020 a world religious leader will be heralded. With his arrival, the world's state will change entirely and enter into a new era of development through his leadership. People will be able to communicate from far distances not only among each other, but also with animals. They will also be able to foresee the future with help of supernatural powers. A revolution in religious rejuvenation in man and woman will also occur. Dr. T. H. Rampa further stated on page 138

of his thesis, that on February 5th, 1962 the Milky Way's celestial bodies will fall into a sixteenth position. Eventually, on or after May 5th 2020 these same bodies (Sun, Moon, Jupiter, Venus, Mars, Mercury and Saturn) will fall into the same position. This phenomenon will bring about a great change in civilization, as we know it. He also states that after the 5th day of May 2020 A.D., the history of mankind will enter a new age where peace will reign.

The Pioneer Spokesmen of the Authentic Prophecies before 800 Years ago: Hazrat Shah Sufi Nyamatullah (RA):

The historical prophecies in verse of Hazrat Shah Nyamatullah about the imminent THIRD WORLD WAR (WWIII) and the coming of the Imam Mahdi (peace be upon him).

A Brief Account of the Life and Prophecies of Hazrat Shah Nyamatullah:

Hazrat Shah Nyamatullah was born during the rule of the Sultan Raju Khan Turkman. His father was the venerable Mir Sayed Atullah, and he was born in the city of Naranwal in Kashmir; this is why he is renowned everywhere as Saint of Kashmir and Shah-E-Hamdan. Although he was originally from Isfahan, Persia currently known as Iran.

By the Grace of God the Almighty, Hazrat Shah Nyamatullah began to speak fluently even before he was weaned from his mother's breast. His respected father, who loved learning, left this world when he was just a child. His father was a notable personage in Sultan Raju Khans court and upon hearing about his death, the Sultans wife Yateem took on the responsibility of bringing him up and educating him. She arranged to have him tutored together with her sons. Only at the age of thirteen, Hazrat Shah Nyamatullah became well versed in the spiritual instructions as well as in archery, swordsmanship and other aspects of warfare. But he was always disinterested in everyday life. He received his first spiritual orders from the contemporary Hazrat Sheikh Mohammad. To gain further knowledge, he became a disciple of the very learned Hazrat Hakim Jibrail Daulatabadi, who, impressed with his student's powers, had his daughter married to him.

Hazrat Shah Nyamatullah then went to Ferozepur and received his spiritual powers from his spiritual teacher; spending sixteen years in hardship there People began to hear of his many extraordinary and fabulous words there; at particular times he would make certain pronouncements which could have only come from someone blessed with The Almighty Gods spiritual and special powers. For this reason, he came to be known as Shah-E-Hamdan of Kashmir.

His most notable composition is a translation of The Holy Quran in Farsi; the number of words in the translation equals exactly the number present in the original Holy Quran. Of his many predictions composed in prose and verse, none of the prose versions are extant today, and only some of the prophecies in verse have survived.

The predictions he made over eight hundred years ago, in his fifty six poems in Farsi, have been proven to be true from the rule of Timurlane, the First and the Second World Wars and other world historical events. Additionally, His Eminency Dr. Shah Sheikh Sufi M.N. Alam has based much of the work in his "Millennium Prophecy" on the predictions made by Hazrat Sheikh Nyamatullah in his Farsi poems.

There is great news for the mankind, the arrival of Imam Mahdi and Jesus Christ (Peace be upon them) are knocking the door for the rise of Third Civilization. The Great Imam Mahdi (PBUH) along with Jesus Christ (PBUH) will establish this New World order in Jerusalem, the unified center of world harmony and peace. Imam Mahdi (PBUH) and Jesus Christ (PBUH) will then lead humanity into the Golden Age, unifying Heaven and Earth. There will

no longer be any destructive intent, or any need for weapons of mass destruction.

Most Dangerous Criminal Murderers of 19th - 20th Century

Lenin, Hitler, Stalin, Mao, Polpot, Kim

Lenin Ideologically a Marxist, he developed a variant of it known as Leninism. Under his rule he ordered to kill thousands of Innocent soviet lives. Most people probably assume that Adolf Hitler killed the most whom is the, architect of the Holocaust. Others might guess Soviet dictator Joseph Stalin, who may indeed have managed to kill even more innocent people than Hitter did, many of them as part of a terror famine that likely took more lives than the Holocaust.

But both Hitler and Stalin were outdone by Mao Zedong. From 1958 to 1962, his Great Leap Forward policy led to the deaths of up to 45 million people—easily making it the biggest episode of mass murder ever recorded.

Picture of: World's Greatest Hypocrite and Danger for Mankind Mr. Henry Kissinger

Biography

Heinz Alfred Kissinger was born in Bavaria, Germany in 1923 to a German Jewish family. His father's name Louis Kissinger (1887-1982) was a school teacher. His mother's name Paula (Stern) Kissinger (1901-1998) was a homemaker. His brother, Walter Kissinger, was born in 1924. In 1938, when Kissinger was 15 years old, he and his family fled Germany as a result of Nazi persecution. The family briefly immigrated to London before arriving in New York City on September 5.

After Kissinger family immigrated to USA, Kissinger spent his high school years in the Washington Heights section of Upper Manhattan as part of the German Jewish immigrant community. Kissinger was always very clever and cunning from young age, hence he assimilated quickly into American culture, he never lost his pronounced German accent, although while he was growing he perceived to be shy but he was very much an observant character, that made him hesitant to speak. After his first year at George Washington High School, he began attending school at night and worked in a shaving brush factory during the day. While he was growing up, he quickly learned that, America was a land of opportunity and people were very naive unlike what he saw in Germany. He had an urge to be a leader that can avenge the actions that he and his family experienced back in Germany.

Kissinger enrolled in the City College of New York, studying accounting. He excelled academically as a part-time student, continuing to work while enrolled. While opportunity came in disguise, His studies were interrupted in early 1943, when he was drafted into the US Army. But somehow he made to attend basic training at Camp Croft in Spartanburg, South Carolina. On June 19, 1943, while stationed in South Carolina, at the age of 20 years, he became a naturalized U.S. citizen. The army sent him to study engineering at Lafayette College, Pennsylvania, but the program was cancelled, and Kissinger was reassigned to the 84th Infantry Division. It may be mentioned here that, Kissinger was never interested in involving himself in practical hand to hand combat. Somehow with his cunning character he made the acquaintance of Fritz Kraemer, a fellow immigrant from Germany who noted Kissinger's fluency in German and his intellect, and arranged for him to be assigned to the military intelligence section of the division.

Kissinger saw opportunity in volunteering for intelligence duties during the Battle of the Bulge. During the American advance into Germany, Kissinger, only a private, was put in charge of the administration of the city of Krefeld, owing to a lack of German speakers on the division's intelligence staff. Within eight days he had established a civilian administration. Kissinger was then reassigned to the Counter intelligence Corps, with the rank of sergeant. He was given charge of a team in Hanover assigned to tracking down Gestapo officers and other saboteurs, for which he was awarded the Bronze Star. In June 1945, Kissinger was made commandant of the Bensheim metro CIC detachment, Bergstrasse district of Hesse, with responsibility for de-Nazification of the district. Although he possessed absolute authority and powers of arrest, Kissinger took care to avoid abuses against the local Jewish population by his command. In 1946, Kissinger was reassigned to teach at the European Command intelligence School at Camp King, continuing to serve in this role as a civilian employee following his separation from the army.

By the age of 23-24 Kissinger was already in the attention of the elite leaders in UK and USA like the Rothschild and Rockefellers Family; through which he managed to graduate in summa cum laude from Harvard College in 1950 and received M.A. and Ph.D. degrees from Harvard University in 1952 and 1954. He was slowly getting groomed to be at the forefront of the US Politics.

He was a member of the faculty of Harvard University from 1954 to 1969, in both the Department of Government and the Center for International Affairs. He also served as Director of the Harvard International Seminar from 1952 to 1969. In 1952, while still at Harvard, he served as a consultant to the Director of the Psychological Strategy Board. His doctoral dissertation was titled "Peace, Legitimacy, and the Equilibrium (A Study of the Statesmanship of Castlereagh and Metternich).

Kissinger remained at Harvard as a member of the faculty in the Department of Government and at the Center for International Affairs. He became Associate Director of the latter in 1957. In 1955, he was a consultant to the National Security Council's Operations Coordinating Board. During 1955 and 1956, he was also Study Director in Nuclear Weapons and Foreign Policy at the Council on Foreign Relations. He released his book Nuclear Weapons and Foreign Policy the following year. From 1956 to 1958 he worked for the Rockefeller Brothers Fund as director of its Special Studies Project. He was Director of the Harvard Defense Studies Program between 1958 and 1971. He was also Director of the Harvard International Seminar between 1951 and 1971. Outside of academia, he served as a consultant to several government agencies, including the Operations Research Office, the Arms Control and Disarmament Agency, and the Department of State, and the Rand Corporation, a think- tank.

On September 22, 1973 Henry Alfred Kissinger was sworn in, as the 56th Secretary of State, he held the position till January 20, 1977. He also served as Assistant to the President for National Security Affairs from January 20, 1969, until November 3, 1975. In July 1983 he was appointed by President Reagan to chair the National Bipartisan Commission on Central America until it ceased operation in January 1985, and from 1984-1990 he served as a member of the President's Foreign Intelligence Advisory Board. From 1986-1988 he was a member of the Commission on Integrated Long-Term Strategy of the National Security Council and Defense Department. He served as a member of the Defense Policy Board from 2001 to 2016.

At present. Dr. Kissinger is Chairman of Kissinger Associates, Inc., an international consulting firm. He is also a member of the International Strategic and International Studies; an Honorary Governor of the Foreign Policy Council of J.P. Morgan Chase & Co.; a Counselor to and Trustee of the Center for

Association; and an Honor Member of the International Olympic Committee. Among his other activities, Dr. Kissinger served as a member of the Board of Directors of ContiGroup Companies, Inc. from 1988-2014 and remains an Advisor to the Board, a position he also holds at American Express Company since 2005, after serving on the Board from 1984. He is also a Trustee Emeritus of the Metropolitan Museum of Art; a Director Emeritus of Freeport-McMoRan Copper and Gold Inc.; and a Director of the International Rescue Committee.

Kissinger successfully covered up his immoral activities against mankind through the awards he has received such as Bronze Star from the U.S. Army in 1945; the Nobel Peace Prize in 1973; the Presidential Medal of Freedom (the nation's highest civilian award) in 1977; and the Medal of Liberty (given one time to ten foreign-born American leaders) in 1986.

Kissinger's Role in Wars around the World

Kissinger's involvement in Indochina war started prior to his appointment as National Security Adviser to Nixon. While still at Harvard, he had worked as a consultant on foreign policy to both the White House and State Department, Kissinger played a key role in bombing Cambodia to disrupt PAVN and Viet Cong units launching raids into South Vietnam from within Cambodia's borders and resupplying their forces by using the Ho Chi Minh trail and other routes, as well as the 1970 Cambodian Incursion and subsequent widespread bombing of Khmer Rouge targets in Cambodia. In February 1970, several senators led by J. William Fulbright and Stu Symington first learned that the United States had been bombing Laos since December 1964, which led to complaints in Congress about the "secret war" in Laos. When Kissinger was summoned to a meeting at the White House about Cambodia, he joked: "Our peerless leader has flipped out". On 2 May 1970, U.S aircraft bombed North Vietnam for the first time since 1968, causing Senator Fulbright to say "Good God" when he heard the news while Senate Majority Leader, Mike Mansfield, said he had trouble believing that Nixon and Kissinger were so reckless. Kissinger worked tirelessly during the Vietnam War to expand the foothold of American Imperial agenda throughout Asian Continent at the cost of 60,000 + US Soldiers.

During the 1971 liberation movement of East Pakistan, Kissinger and Nixon supported West Pakistan by providing intelligence to Arms and ammunition. Kissinger's ultimate agenda was to exert pressure on India for its close ties to Communist Soviet-Union. East Pakistan ultimately gained independence through the sacrifice of 300,000 innocent civilians and became Bangladesh. But Kissinger's anger of not being able to achieve his agenda led Bangladesh to suffer even more; Kissinger played a huge role at US Senate and United Nations against the newly formed Bangladesh's recognition. He also made sure Bangladesh doesn't get enough humanitarian aids, which led to the great famine and loss of several thousand innocent lives in Bangladesh in 1974. He labeled Bangladesh as "Bottomless Basket" while his visit to Dhaka. Fortunately, the young Senator from Delaware at the time current President Joe Biden along with Senator Late Ted Kennedy strongly fought to support the Bangladesh's recognition.

Kissinger's Rote in Biological Warfare and creation of AIDS virus

According to an article published by Dr. Ernest Schapiro, Horowitz documents Kissinger's preference for covert operations, as shown, for example, in his February 1976 testimony before the Senate subcommittee on African affairs of the Senate Foreign Relations Committee. "The Angola situation," Kissinger intoned, "is of a type where diplomacy without leverage is impotent, yet direct military confrontation would involve unnecessary risks. Thus it is precisely one of those gray areas where

covert methods are crucial if we are to have any prospect of influencing certain events of potentially global importance." Horowitz presents evidence that such possible operations may very well have included biological warfare. Horowitz delves at some length into Kissinger's oligarchical political philosophy, in which policy disagreements are settled by force, and there is no place for morality- only self-interest. In 1969, he ordered a survey of chemical and biological weapons. He and Nixon signed a treaty to eliminate these weapons, but they secretly kept a supply. Horowitz believes that Kissinger ordered the Defense Department to request an appropriation from Congress for an AIDS-like virus to be produced.

Kissinger's policy, including the Malthusian policy of NSSM-200, was continued by the Carter administration, under the direction of Joseph Califano, the secretary of Health, Education, and Welfare. Califano had previously held high positions in the Defense Department, including that of deputy secretary of defense. Another important figure was Dr. Donald Francis, who currently heads the Hepatitis Branch of the Centers for Disease Control (CDC); he had a background that included research into cat leukemia, hepatitis B, and epidemiological studies on infectious diseases. When the Ebola virus struck in Zaire in 1976, he was a medical officer on the scene, on loan to the World Health Organization from CDC.

Kissinger a War Criminal

Two American generations have experienced Kissinger's treachery first hand but most certainly his mastermind blueprints of controlling World Order are still in play. He is most certainly a War Criminal, according to Molly Ivins's article on Buffalo News he is wanted for questioning in Chile, Argentina and France (concerning French citizens who disappeared in Chile). He cannot travel to Britain, Brazil and many other countries because they cannot guarantee his immunity from legal proceedings. In addition to his role in the 1973 Chilean coup that brought Gen. Augusto Pinochet to power, Kissinger also is wanted for questioning about the international terrorist network called Operation Condor, which conducted killings, kidnappings and bombings in several countries, including this one -- the 1976 bombing in Washington, D.C., that killed a noted Chilean dissident and his companion.

Kissinger's most notorious act was the secret bombing of Cambodia and Laos during the Vietnam War. William Shawcross argued persuasively in his book "Sideshow: Kissinger, Nixon and the Destruction of Cambodia" that the Cambodian bombing unleashed the Khmer Rouge on that country - which, if true, certainly ups Kissinger's body count.

Kissinger's Role in September 11 Terror Attack

He is also a notorious liar. He has lied repeatedly to Congress, the press and the public; he is a toady to power and a lackey of the Establishment, and for many years now the hiring of despotic regimes around the world. Old Cover up Kissinger, the man who double-crossed the Iraqi Kurds -- just the man to lead an independent inquiry into 9/11. Kissinger insists he need not reveal the identities of his client regimes. He said law firms are not required to reveal the names of their clients. That's a two-lie answer, no record for Henry the K. He doesn't run a law firm; he runs an international consulting business. And in the second place, law firms are indeed obliged to publicly register their lobbying clients.

**Kissinger's Role in
Coronavirus**

while the World experiences extreme change, the Notorious Kissinger publishes an article stating "how the world will never be the same, the world order certainly will change". There may not be anything yet that surfaced in mainstream, which can tie the links to Kissinger for current ongoing disaster known as Coronavirus. But we can assume that, he was the master mind that started the research work on the biological warfare, he is also the mastermind in covering up all of the covert operations around world, be it biological warfare or terrorist attack like September 11. It would be logical to conclude somewhere, somehow or someway he had something to do with this virus being widespread. According to Japanese Nobel laureate professor Tasuku Honjo has declared that, this covid19 has multiple strains, even though at first he claimed the virus to be man-made later he stated that it can have a natural strain. Also according to Luc Montagnier, who won the Nobel Prize in 2008 for his work on HIV stated that, biologists of having created SAR5-CoV-2 - the virus that causes Covid- 19 - in a lab. World influential leaders are requested to pay attention by the leadership of US President Joe Biden to take appropriate action plan to save the mankind from mysterious man-made disease covid19 virus. He may call upon Luc Montagnier and Tasuku Honjo and other resourceful scientists to work together to eliminate this virus for greater good of humanity as per his election commitment.

Kissinger's Protege Jarred Kushner

Picture of Jarred Kushner Son-in-law of Donald Trump and Protege of Henry Kissinger

It may be mentioned here that, Henry Kissinger has been a lifetime member of secret organization such as Bilderberg Group. Bilderberg group is a secret organization that has members across the world consisting of influential world leaders, wealthy businessmen or anyone that can or has the ability to control the masses for the greater good of organizations like Bilderberg group. Recently Jarred Kushner the Son-in-law of most hated criminal of 20th century Donald Trump was seen together at a Bilderberg meeting in Switzerland. It can be understood that, Kissinger had been grooming Kushner for similar roles that he had played for the past 6 to 7 decades.

Muslims in India as well as South Asia, (middle) Late Pranab Mukharjee were the mastermind in creating plots to control and destroy the back-bone of Bangladesh and danger for the Muslims in Bangladesh. Sheikh Mujib contributed to the cause of Pranab in various ways to destroy the back-bone of Bangladesh. Currently Sheikh Mujib's Immoral Daughter (from right) Sheikh Hasina are following the blueprint of Pranab Mukharjee to destroy full democratic system, economy as well as brought total loss of Rule of Law and justice in Bangladesh; she is not a Muslim, She follows the customs of Hinduism and was born in Hindu Family _____

Direct followers of GREAT Shaitan (Iblis) and descendant of Yazid ibn Muawiyab as follows:

the cooperation of Wahabi and Selafi movement Reemergence of Jesus Christ & Imam Mahdi PBUH is awaiting to eliminate Descendants of Yazids

DO NOT MISGUIDE AND MISLEAD THE MUSLIM COMMUNITY

Figure 38: Zakir Naik Direct Descendent of Yazid ibn Muawiyah

This person true identity was revealed hence he was kicked out of India, along with his god-father Saudi Kingdom also has disowned him, now he is in house arrest in Malaysia, Soon Dr. Mohammad Mahathir will hang this bastard.

1400 Years Ago, After the conquest of Mecca Prophet Mohammad (SM) (PBUH) While doing Tawaf, had Prayed for the People of Sham (Syria) and Then People of Yemen, Finally a third group came from Najd, requesting prayer, Prophet denied and Said in strong voice "The Horn of Shaitan will rise from Najd, which will cause greatest fitna amongst his Ummah". Hence in 1740s AD Abd Al-Wahab along with Ibn Al-Saud made a pact to

spread their Wahabi and Selafi version of Islam across the Arab Peninsula, which destroyed the back bone of Reality of Islam. After the 1920s, The Wahabi and Selafi movement had spread in the Indian Sub-Continent, primarily thru institutions like Deoband Madrasha,

Qawami Madrasha and organizations like Jamate Islami, Tablighis as well as public figures like Zakir Naik, Kamal Uddin Jafri, Mijanur Rahman Ajhari, Tareq Monowar, Amir Humza, Delwar H. Sayedi, Ahmed Shafi, Junaid Babu Nogori, Mamunul Hoque, Abdur Razzak, Shifat Hossain some little childs Called "Shishu Bokta" of Bangladesh are being misled by the corrupt businessmen. The Wahabi and Selafi version of Islam lowers the identity and dignity of Holy Prophet Mohammad (SM) (PBUH), Allah the Almighty declared war against those who disrespects the Holy Prophet, also confirmed they have birth problems along with having several diseases, in accordance of Surah Al-Qalam, Holy Quran. It is crystal clear they are supporters of ISCKON and fanatic Jews followers whom are working directly to destroy the real truth of Islam in Bangladesh.

Figure 39: Images of So-Called Islamic Speakers, Muftis and Followers Of Yazidi Islam, Their Name Mentioned Above

It Should be mentioned here that, those who are proclaiming themselves as Muftis, Maolanas and Public Speakers but continuously disrespecting the Holy Prophet Mohammad (SM) (PBUH) and his family members. Almighty Allah directly burns their faces, hearts and minds. And They Do NOT have any light (Nur) on their face; hence they look like dogs. Pigs and direct descendants of Shaitan (Kafer).

Those mentioned above should be punished in accordance of the Islamic Sharia for disrespecting the Holy Prophet Hazrat Mohammad (SM) (PBUH) and his Family Members (Ahle-Bayt).

There are so many Sufi Dorbars and Khanqas in Bangladesh which had been occupied by the so-called followers whom are actively destroying the True and Real teachings of Sufi Saints. Some of those of Khanqa, Dorbars and so-called Pirs are Hashmatullah of Aat Roshi from Faridpur, Dewanbagi from Aaarambagh Dhaka, Shorshina and Chormonai from Barishal, Kutubbagh from Farmgate Dhaka, So- called Pir from Saydabad Bus Terminal Dhaka, Anjumane Rahmania Sholo Shahar, Paichlaish, Chittagong, Joinpuri So-called Pir and Dorbarsharif from Maymanshing, Maizbhandar from Chittagong, Controversial Toriqot Federation, of Kakrail Bangladesh, Baitus Sharaf Dorbar, Dhoniwala Para, Kodomtoli, Chittagong, Tazul Islam Bishaw Dorbar of Amantola, Mithachora, Chittagong, So-Called Pir Ahmedullah 44 Azimpur Boro Dayera Sharif Dhaka, Bangladesh also so many others.

After the Battle of Karbala in 61 Hijri, The Muslim Ummah got divided into Two Groups. One Group under the leadership Hazrat Hussein (PBUH) had only 83 members at Karbala (Whom are at the Right path) and the other Munafiq group consisting of 22000 members under the leadership of Yazid ibn Muawiyah (Whom were misguided). Yazid's munafiq group had killed and murdered 77 members from Ahle-Bayt. Only Hazrat Zainui Abideen (PBUH) and Zainab Binte Abu Talib (PBUH) along with their family members were alive to distribute the true reality of Islam Today.

In Lifetime of Prophet Mohammad (SM) (PBUH), Prophet openly declared that, after His departure to (Jannah) Heaven, there will be two groups, Under the leadership of Hazrat Hussein (PBUH), Which will be the beacon of true Islam and follower of his Family (Ahle-Bayt), in another group Yazid Ibn Muawiyah Which will have the misguided 72 sects of followers such as Sunni, Shia, Wahabi, Selafi, Tabhiighi, Jamate Islami, Ahle-Sunnah, Ahmadiya, Kadiyani, Rafidiyas, Khawaraji and other sects whom will be directly going to Jahannam (Hell Fire). His Eminency Dr. Hazrat Sheikh Shah Sufi M N Alam States, If you want to be a True Muslim, You MUST show Proper Love, Respect and Honor for the beloved Prophet Mohammad (SM) (PBUH) and his Family Members, With Your attitude, gratitude and actions.

CHIEF MINISTER FOR
FOREIGN AFFAIRS

GOVERNMENT OF THE
PEOPLE'S REPUBLIC OF BANGLADESH
DHAKA

Message

A two-century old dynastical religious platform for the cause of human values housed in the religiously renowned premises of Dayera Sharif, in a densely populated area of the old historical place of Azimpur at the heart of Dhaka, the capital of Bangladesh, culminated into an organizational set-up as the Dayemi Complex Bangladesh in the year 1969.

Hazrat Shah Sufi Syed Daymullah (R), the immediate past spiritual occupant of the House is the founder Chairman of the Dayemi Complex Bangladesh. The Complex has become a symbol of succour to the poor, destitute, and distressed. It gave a clarion call for rehabilitation of tens of thousands of people rendered homeless due to river erosion, floods, cyclones and other natural calamity.

I am happy to know that the Dayemi Complex Bangladesh has now been working on national as well as international fields for propagation of faith, unity, discipline, peace and prosperity for the distressed humanity. In order to discharge their functions and to maintain liaison with various world bodies, government and non-government agencies, this organisation has established its offices at New York, Geneva and Vienna and Shah Sufi M.N. Alam, Director General of the Complex has been working as Permanent Representative and World Peace Envoy to the United Nations since 1985.

I am happy to recall here that my late father Justice Abu Sayeed Chowdhury, former President of Bangladesh and former Chairman, United Nations Human Rights Commission inaugurated Dayemi Complex Bangladesh U.N. Affairs Office at Holy Dayra Sharif on October 28, 1985. It was my great pleasure to be able to inaugurate the World Spiritual Institute of Bangladesh at Holy Shah Sufi Dynasty Dayera Sharif premises in December, 1996.

I pray to Almighty Allah for grand success of this Institute as well as of the Dayemi Complex Bangladesh.

This is to advise you that the Dayesni Ccrrplex, Bangladesh is a non-governmental organization (NGO) in Poster status with the United Nations* Economic and Social Council. NGOs related to ECOSOC may designate representatives to attend U.N. meetings on a regular basis.

The Dayemei Corplex, Bangladesh has designated its Director- General/ Mr, M. Alam, as its regular representative to United Nations Headquarters. This requires frequent travel from Bangladesh to Un/ Headquarters in New York. It would facilitate Mr, Alam's work if he could obtain a multiple entry visa to the United States.

Thank you for your consideration.

Yours sincerely.
