Dear Honorable President Joe Biden:

I recall your remarkable contribution to recognize new born country Bangladesh in April 4th 1972, at that time you were a brave young senator from the State of Delaware that protested against US Secretary of State, Henry Kissinger. I also recall the heroic contributions of former Massachusetts Senator Late Ted Kennedy. I along with all the Bangladeshis will always appreciate you for your fight to establish Human Rights across the globe especially in Bangladesh. I also want to congratulate you as the citizens of United States of America anonymously have elected you to overcome the famous victory on the historic 2020 Presidential Election to become the 46th President of United States of America.

I write to you today with the request to turn your attention on the urgent human rights violation issue in Bangladesh. The current Illegal fascist Prime Minister Sheikh Hasina have destroyed the back-bone of Bangladesh and holding 160 million Citizens of Bangladesh in complete hostage. I am submitting a complaint against fascist government of Bangladesh So-Called Prime Minister without public vote Sheikh Hasina and her gangsters and her So-called Self- Proclaimed government administrators, their names are mentioned in the subject above. I am the bonafide Citizen of United States of America, Permanent Resident living at Ventnor City, State of New Jersey.

My Name and Address: Dr. Hazrat Sufi M N Alam

(Victim of Gross Violation of Human Rights in Bangladesh by fascist government Sheikh Hasina and her gangsters)

I am the dual bonafide Citizen of Bangladesh (By Born) and United States of America (Adjustment of Diplomatic Visa).

I currently live in the State of New Jersey; I have lived in Ventnor, Atlantic City and Egg Harbor Township since 1999. From 1985 to 1999 I was the inhabitant of State of New York, lived in Manhattan, Brooklyn and Queens. Many of family members are still living in the State of New York.

I am accredited and designated to the UN Headquarter New York, USA, Geneva, Switzerland, Vienna, Austria, Adis Ababa, Ethiopia, European Union, Commonwealth Secretariat of UK, QIC (Organization of Islamic Cooperation) Jeddah, KSA, The White House of Washington DC, USA through the Dayemi Complex Bangladesh, (DCB UN Inc.) UN Secretary General Designated Peace Messenger Organization since 1985, Chief of the Mission of World Human Rights Service Council, New York, USA, President, World Spiritual Assembly, New York USA since 1985, Secretary-General of Bangladesh United Nations Association at

Dhaka and New York since 1972, Secretary General International organization for world peace disarmament, development and Human Rights since 1989, Secretary-General World Federation of United Nations Peace Messenger Organization, New York since 1987. I was nominated two times for the candidacy of Noble Peace Prize in 2008 and 2010; I am a Researcher, Modern Prophet, Philosopher, historian and religious and spiritual leader 43[^], Direct Descendant from the Prophet of Islam Hazrat Mohammad SM (PBUH).

I am also the Writer of Historical Authentic Encyclopedia of World History, I had visited more than 186 countries through the United Nations System to attend more than 700 International conferences, symposiums, roundtable table meetings of the United Nations. I had proclaimed as Capacity of being the Pioneer Spokesmen of *"The Millennium Prophecy Statement Heralds a Golden Age, to co-create Heaven on Earth and the Arrival of Jesus Christ for establishing Global peace around the World after 2020"* at Earth Summit and Global Forum at Rio De Janeiro, Brazil on June 6[^] 1992 which was attended by 116 heads of states, 30,000 intellectuals, scientists, and spiritual leaders along with Civil Society Representatives of the World; my concept is that, *"Human beings are the Crown Creations of Almighty God, Descendant of Prophet Abraham (PBUH), "Jews, Christians and Muslims are Cousin Brothers", "Than why are they fighting with Each other? Because of the fanatic belief and malpractice of reality of theology; Muslims, Jews and Christians do not understand Prophet Abraham's Ideology. No one shall dominate in a War or Fight. The fanaticism of So-called, Muslims, Jews and Christians as well as World's Political Dilemma must be stopped to avoid World War 3"*. Since 1985 I had been researching the Old Testimony of Bible of Christianity, Torah of Moses, Zabur of King David and Holy Quran in reference of my gigantic historic book Millennium Prophecy Statement ISBN: 97805- 786-2640-6, Ahlul Bayt ISBN: 97805-786-47722. I had established more than 100s of Educational Institutes which includes Schools, colleges, Madrasha and place of Worship (Mosques) as well as 7 International Orphanages in the rural areas of Bangladesh; the estimated cost of my projects can amount up to billion dollars.

My complaint is against the current fascist government Sheikh Hasina Prime Minister of Bangladesh and her gangsters, officials. She had been in power by the direct initiative of Indian RAW'S Chief Sheikh Hasina's best friend. President of India late Pranab Mukharjee of Calcutta, India. The Hindu fundamentalists' regime and government of India, destroyed the back-bone of East Bengal after the 1947's separation from East India company later again in 1971 by Prime Minister of India Late Indira Gandhi and her gangsters with department of RAW whom made long-time conspiracy and blueprint to separate the East Pakistan from West Pakistan to dominate and rule as their free colonial territory. They started the chaos and complexities amongst West and East Pakistan; West Pakistan's Armed forces understood that, they can't continue the legacy of Islamic Republic in East Pakistan because of its geographical territories also the peoples were mostly illiterate and majority were living subsistent below poverty as well as being surrounded by Indian rivers and territories even though the land was more resourceful with minerals and natural resources. Finally Pakistani 93,000 strongest soldiers of the World surrendered to the Indian aggression in the undeclared 13 days war; during the undeclared 13 days of war Indian Army and so-called freedom fighters of Bangladesh's self-proclaimed regime killed many peoples inside the East Pakistani territories and blamed on the West Pakistan's soldiers; under such circumstances India infiltrated East Pakistan and took the position to separated and liberated it and given birth to Bangladesh, which was headed by Indian RAW'S Chief Pranab Mukharje and other Hindu Fundamentalists fascist groups.

On 10[^] of January 1972, I had arrived from my village area of Chittagong to the Capital Dhaka of New born country Bangladesh, as born brought up social philanthropists, religious and spiritual personality. Upon my arrival in Dhaka City, I had witnessed the scenes of horrible so-called celebration festival because of the arrival of Hypocrite Sheikh Mujib from Pakistan Jail via London and short stopover in India and returned back to Dhaka that afternoon. Many hypocrites and greatest dangers of mankind and Bangladeshi immoral Citizens as so-called liberation freedom fighters had welcomed and received hypocrite Sheikh Mujib at Dhaka Airport and brought him to the race course field of Dhaka; where Sheikh Mujib Proclaimed himself as the "Father of the Nation" and President of the new born Bangladesh. Hypocrite Sheikh Mujib also proclaimed himself as "Bongobundhu" meaning "Friend of Bengals" even

though he didn't take any part in the liberation movement of Bangladesh. All the aforementioned titles were his own self-proclaimed evidence to show off to the people for his first speech after 9 months.

However, India first given the recognition for their greatest interest to new born country Bangladesh; but the United States of America, United Nations and other World Federations had not recognized proclamation of Bangladesh as new born country till 1974. I myself, met with the Sheikh Mujib being accompanied with Sheikh Mujib's Uncle Hafiz Monir Hossein of Armani Tola whom was his Business partner and friends in politics along with Qari Mohammad Obaidullah of Chowk Bazar Mosque (Grand Imam) renown personalities of Dhaka, Asafudoula Reza Senior Journalist Executive editor of Daily Ittefaq, and Alim uz'zaman Regional director of Bangladesh Radio; Sheikh Mujib's gangster Minister Mizanur Rahman Chowdhury, Home Minister Captain Monsur Ali along with other country patriotic leaders and elites of the City Dhaka. Finally on 23[^] March I officially received a courtesy call by the first President of Bangladesh Mr. Justice Abu Syed Chowdhury from his Presidential palace Bongobhobon,

Dhaka as capacity of being selfless, social administrator also as religious and spiritual leader to meet him at the Presidential Palace.

After one hour cordial meeting with the President, we discussed the current situation of Bangladesh; how war had affected the fellow citizens, whom were victimized by the so-called liberation Army of India; the scarcity of food, medical supplies and humanitarian aids which was leading to the humanitarian crisis in new born Country Bangladesh. On the other hand, one of the big superpower United States of America and United Nations had not recognized new Born Country Bangladesh because of US's Secretary of State Henry Kissinger. I had suggested and proposed to President Justice Abu Sayed Chowdhury as he was one of the country patriotic, educated personality and good Muslim; for the international recognition of the new born Bangladesh and for that we should urgently advocate and lobby at the international platform. Which led to the establishment of United Nations Bangladesh Jatishongho (Bangladesh United Nation's Association) organization; and It's President Hafez Monir Hossain of Armani Tola, Sheikh Mujib's business partner and friend; myself A.K.S.M.N Alam the founder Secretary General along with other 21 members of the executive committee patronized by President Justice Abu Syed Chowdhury.

After arriving in Dhaka I started my humanitarian services for the needy peoples by providing medical assistance and properly taking care of the elderly and war victims through the active help and support from the International committee of Red Cross Switzerland and other international humanitarian organizations. While I was dedicatedly helping, supporting and working for the war victims and needy peoples; I had witnessed many undesirable activities of Sheikh Mujib's regime and his gangsters; most importantly his elder son Sheikh Kamal, his cousin brother Sheikh Faziul Hoque Moni, atheist poet Shamsur Rahman of Daily Newspaper "Doinik Bangla". On June 17th of 1972 I had an altercation with Sheikh Mujib's immoral son Shiekh Kamal, and again next day on 18th of June 1972 while I was attending a red-cross conference with the International officers for humanitarian aid organizations held at the Intercontinental Hotel of Dhaka; I again had another altercation with Sheikh Kamal while he was aggressively charging on to bureaucrat officer Senior Secretary Abu Mohammad Obaidullah Khan (CSP) of Bangladesh to show off his illegal power; upon witnessing such incident, I had protested against Sheikh Kamal for his illegal charge against CSP Abu Mohammad Obaidullah Khan and other Immoral activities; On that very night of 18th June of 1972, while I was staying at an International Officer's guest house at Dhanmondi, Road #2 in front of 6DR Gate #2, Suddenly at 11:45 pm Sheikh Kamal and Shafiul Alam Prodhan of Chatro League along with Sheikh Mujib's Political Secretary Tofael Ahmed in a Military Uniform with weapons and some gangsters of Rokkhi Bahini charged into the guest house to kidnap me. I was taken to Mujibbat Torture Camp in front of Dhaka College; I was brutally tortured and later Sheikh Kamal gave the orders to one of his gangsters to kill me but by the grace of Almighty God that person realized my religious and spiritual status and decided not to continue with killing me instead dropped me off to Lalbagh Police Station at Dhanmondi Road with Officer in charge Mr. Helal Uddin. Although the OC of Lalbagh was afraid but worried about my safety and security from Sheikh Kamal's brutal aggression. He forwarded me to magistrate court of Dhaka and granted my safe custody without forming any charges and sent me to Dhaka Central Jail; accordingly I admitted at the medical center inside the jail. The deputy inspector general of Prison Mr. Kazi Abdul Awal and officer in charge of Dhaka Central Jail Mr. Sahamsur Rahman, Jailer and other senior staff members all knew me personally; they all were surprised and discussed how the new born country's innocent peoples were victimized and there were no rule of law, "how can the innocent people survive?".

On June 20th of 1972 I managed to officially visit Sheikh Mujibur Rahman self-proclaimed father of the nation with Hafez Monir Hossain at his 32 Dhanmondi Residence; I reported all the immoral activities of Sheikh Kamal and his so-called political gangsters and we also explained our humanitarian work and other philanthropic works. Unfortunately, Sheikh Mujib did not take any heed to take any action against his immoral son Sheikh Kamal or his immoral cousin brother Shiekh Faziul Hoque Mani and their gangsters. Accordingly we proposed Sheikh Mujib to be the Chief Patron along with President Justice Abu Syed Chowdhury for the Bangladesh United Nations Associations Organizations (BUNA); Sheikh Mujib was certainly happy to be Chief Patron and called for Works Minister Mr. Motiur rahman (MP) around 12:30 am during our meeting at his Dhanmondi residence. He directed the Works Minister to urgently order the allotment of Building from any abandoned Pakistani property for smooth functioning of new Bangladesh UN Association organization.

Accordingly on July 1st of 1972, the honorable Works Minister Mr. Motiur Rahman Ministry of Works and Secretary Kazi Jahedul Islam of Ministry of Works had been pleased to allot 72, Midford road. Imam Gonj, Dhaka - 1205, near Lalbagh Police station under the abandoned property regulation control act of 1972; After I received the legal documents of ownership of the Property from the government's respective department; I established and maintained the office of Bangladesh United Nations Association from October 1972 till 1977. Unfortunately one of the gangster of Awami League Officer in Charge Akram Hossain of Lalbagh Police Station with his police staffs broke the 72 Midford road building's lock and illegally occupied the building; he also destroyed my official documents, stored relief goods such food, medicine and cash money for the relief rehabilitation about 5 million Bangladesh Taka. On 3rd January of 1977 I called Akram Hossain Officer in Charge of Lalbagh PS, after the telephonic conversation; he illegally arrived at my premises at the spiritual headquarter of 42/2 Holy Dayera Sharif Azimpur, Dhaka, on 4th

of January 1977, and he threatened me, if further I continue to file any case against him regarding my property at 72 Midford Road than "his gangsters or him will kill me". On 5th January at Midnight 12:15 AM OC of Lalbagh Akram Hossain along with his gangsters by force took my authorized licensed revolver and shotgun, which I had purchased from United States and kept for my personal security; I had all the necessary government licenses for both the guns. Unfortunately, If anybody were to complain about the gangsters of Police of the ruling Awami League party, they can be killed at any moment. This has been my life and death situation in Bangladesh. Since 1972 I had many undesirable experiences against the Sheikh Mujib and his Awami League Gangsters; they had tried to kill me several times and still continue to threaten my life today. It is very normal for them; they have killed thousands of people to rob their properties.

I have seen Sheikh Mujibur Rahman not to be helpful for the people of Bangladesh; he was under pressure through his political party's gangsters and his family members particularly his son Sheikh Kamal and his cousin brother Sheikh Faziul Hoque Moni. However, the regime of Sheikh Mujib and his immoral son Sheikh Kama! was not successful to kill me, and could not stop my social and humanitarian services for the people of Bangladesh. This information elaborately discussed inside the World Human Rights Service Council Chairperson Legal Affairs Dr. Richard T. Jordan's transparent Country report of Bangladesh and India also published in Book titled "My life and My Prophecy" ISBN# 978-0-578-80663-1.

I pursued the work for Bangladesh's recognition to attain the attention of United States and United Nations; I managed to get the attention of Secretary General Kurt Waldheim and other international community. At that time US State Senators and Secretary of State Henry Kissinger directly opposed and given the veto to not recognize Bangladesh because of their friendship with West Pakistan's President Mr. late Zulfiaqr AN Bhutto. However, Honorable Senator Ted Kennedy along with you honorable President as you were the youngest Senator of Delaware, whom strongly supported to recognize new born Bangladesh after many debates and cross debates at the United States House of Senate. Unfortunately Sheikh Mujib's fascist government and her daughter's current fascist government forget your and Ted Kennedy's remarkable contributions and active support for the recognition of Bangladesh. This is the situation of Bangladesh since 1972; I had been the victim by the ruling authority of Awami League party and their gangster governments till now.

There had been many false fabricated civil and criminal cases that had been started against me from magistrate court, district court, high court, martial law court to Supreme Court and appellate division court but I had won all of my cases in all the courts by properly attending and fighting against all false and fabricated cases; finally the judgment orders were passed by the respective courts in favor of me. The Awami League's political hypocrite gangsters of Indian RAW targeted to kill me many times; but I am a spiritual person working 18 hours a day to provide help and support for the innocent peoples of Bangladesh; please find more details on book titled "Dayemi Complex Bangladesh, 700 Years Old Sufi Dynasty of Holy Azimpur Dayera Sharif" ISBN: 97805-786-3824-9.

But the immoral Sheikh families continue to wage fight against me, even to this day; Sheikh Hasina's nephew and Awami League's greatest gangster Sheikh Mani's son Barrister Fazle Noor Taposh and other terrorists directly tried to kill me at my Spiritual Kingdom Holy Azimpur dayera Sharif located in Dhaka, Bangladesh. Also on 2nd November, 2009, Sheikh Hasina's family gangsters along with dangerous Awami league's born brought up criminals whom also killed 57 army officials on February of 2009 by the active cooperation of Indian RAW inside the BDR headquarter Pilkhana Dorbar Hall, under the direct supervision of so-called barrister Fazle Noor Taposh at the time candidate of undivided mega city Dhaka's Mayor in 2009, who intentionally attacked my United Nations affairs office located at 80/1 VIP Road, Kaikral, Romna, Dhaka headed by Romna PS OC Noman and SI Jafor All. There were about 40 armed gangsters with machine guns, grenades stormed into my Kaikral Office at Dhaka, Bangladesh.

The current illegal fascist Prime Minister Sheikh Hasina have destroyed the back-bone of Bangladesh and holding 160 million Citizens of Bangladesh in complete hostage. I had been working for the humanitarian cause and established over 100s of Educational and religious institutes and Orphanages in Bangladesh through Religious and humanitarian organization "Dayemi Complex Bangladesh" with the help of UN aids and governmental subsidiary fund; the Dayemi Complex Bangladesh's humanitarian institutions and projects can be valued over billion dollars. It may be mentioned here that. The Dayemi Complex Bangladesh was designated as the Peace Messenger Organization by UN Secretary General in 1985 also earned a special consultative status with United Nations Economic and Social Council (ECOSOC).

I had been fighting to safeguard the humanitarian organizations and institutions of Dayemi Complex Bangladesh against a hypocrite Faizi Mohammadi Ahmedullah and his gangsters also against illegal Prime Minister Sheikh Hasina's nephew Sheikh Fazle Noor Taposh current Mayor of Dhaka City South, his gangsters as well as many corrupted police officials. I had filed several Civil and Criminal cases and logged FIRs against them; Writ petition of Bangladesh Supreme Court 1875 of 2003, Bangladesh Supreme Court Civil Revision Case Number 3334 of 2004 and many other criminal cases; currently most of the cases are pending

at the Bangladesh Supreme Court's Appellate division. Chief Metropolitan Magistrate Court (CMM) Dhaka also 5th district judge court Dhaka. Finally, after 12 years of fighting the Bangladesh Supreme Court had passed a Judgment order in favor of me to take appropriate action and punishment against all the accused whom had illegally occupied my land, properties, offices, institutes and orphanages since 1996; the Supreme court of Bangladesh Appellate Division (Criminal Appellate Jurisdiction) Criminal Appeal No. 8 of 2012 (arising out of criminal petition for leave to appeal no. 382 of 2010) bearing Bangladesh Police station Lalbagh Police Case# 48(9) of 1999 Dhaka, which had received a judgment order by Bangladesh Supreme court to curb down Faizi Mohammadi Ahmed Ullah and his gangsters to recover my projects and properties along with the 100s of institutions; although the case is currently pending at Chief Metropolitan Magistrate court (CMM) of Dhaka along with a Money Suit Charge of 100 million BD Taka for plenty of false cases against me; accused Faizi Mohammad Ahmedullah (former) and IGP Nobo Bikromtripura Deputy Inspector of Police Mr. Mokbul Hossain Bhuiyan, Assistant Police Commissioner F R Chowdhury of Nobinagar Circle B-Baria and Officer In Charge Golam Rahman of Lalbagh Police Station Dhaka, Sub-Inspector Sajjad Hossain of Lalbagh Police Station Dhaka along with Judicial Magistrate Sheikh Tofael Hassan of CMM court Dhaka for their misconduct and gross violation of Human Rights and violation of Bangladeshi Citizen's fundamental rights of the Bangladesh constitution Article 103. All Supreme Court judgment orders and complains are pending with the respective courts, unfortunately at this time in Bangladesh, there are no rule of law especially under fascist Prime Minister Sheikh Hasina and her gangsters. However, because of the illegal influence of Sheikh Hasina's fascist government influenced by Indian RAW and her nephew Fazle Noor Taposh, his gangsters and corrupted law enforcement agencies and its officials; the judgment of Bangladesh Supreme court was not implemented and I have not been able to recover the humanitarian organizations and institutions.

Please note that, the current illegal fascist Prime Minister Sheikh Hasina of Bangladesh had been in power since 2009 through the Awami League-led so-called coalition (Grand Alliance) party. Since 2009, Sheikh Hasina along with her Political adviser H.T. Imam, Security adviser Tariq Siddique, International affairs adviser Gowher Rizvi, Economic adviser Salman F. Rahman had been working closely with Indian RAW to completely destroy the democratic system in Bangladesh. The election of 2014 and 2018 were merely eyewash to deceive the international community to cover up their gross violation of human rights. Sheikh Hasina and her Awami League gangsters illegally declared the winner of both the general election of 2014 and 2018 without any votes.

Fascist illegal Prime Minister Sheikh Hasina had been using immoral individuals such as Aziz Ahmed as Chief of Army, Benazir Ahmed as Chief of Police as well as Awami League's Gangsters of Student wing "Chatro League" to kidnap, extort, torture, rape even murder the journalists, over 30,000 Illegal arrests of Opposition Political parties and jailed with false cases since 2009 as well as the general citizens those who dares to protest against her fascist government. Currently 160 million victims fellow Citizens of Bangladesh are completely held hostage under her fascist illegal regime. There had been numerous human rights reports by Amnesty International, Human Rights Watch as well as International Medias like Al-Jazeera also the US Department of State's Country Report since 2009 till March 2020 to expose the immoral, inhumane, gross violation of human rights by illegal fascist Prime Minister Sheikh Hasina, her Awami League's Gangsters, Police Administration and Self-Proclaimed Cabinet Ministers as well as Member of Parliaments of Awami League.

Dear fellow American:

I am pleased to congratulate you on becoming a United States citizen. You are now a part of a great and blessed Nation. I know your family and friends are proud of you on this special day.

Americans are united across the generations by grand and enduring ideals. The grandest of these ideals is an unfolding promise that everyone belongs, that everyone deserves a chance, and that no insignificant person was ever born. Our country has never been united by blood or birth or soil. We are bound by principles that move us beyond our backgrounds, lift us above our interests, and teach us what it means to be citizens. Every citizen must uphold these principles. And every new citizen, by embracing these ideals, makes our country more, not less, American.

As you begin to participate fully in our democracy, remember that what you do is as important as anything government does. I ask you to serve our new Nation, beginning with your neighbor. I ask you to be citizens building communities of service and a Nation of character. Americans are generous and strong and decent not because we believe in ourselves, but because we hold beliefs beyond ourselves. When this spirit of citizenship is missing, no government program can replace it. When this spirit is present, no wrong can stand against it.

Welcome to the joy, responsibility, and freedom of American citizenship. God bless you, and God bless America.

Sincerely,

George W. Bush

This report is available on the State Department's website, at www.state.gov. We appreciate your input and again, thank you for your concern-

Call for the Mankind and Their Future of The Third Civilization

To,
**The President of Turkey Honorable Recep Tayyip Erdogan Cumhuriyet Kulliyesi 06560 Beştepe-
Ankara-Turkey**

Subject: This Message is the Clarion

**Reference: For immediate Action to discuss in Turkey's Parliament For the Future Plan and Program For
the Support of Millennium Prophecy Statement for the benefit of Mankind.**

The Millennium Prophecy, Heralds a Golden Age Proclaimed by His Eminency Dr. Hazrat Sheikh Shah Sufi M.N. Alam To the Heads of State and World Leaders

To the honorable heads of state, heads of government, kings, emperors, distinguished religious leaders, intellectuals and scientists; I am disclosing valuable information concerning the future. It is the age of science and the era of utmost improvement in human civilization. It is known from history that this is the second human civilization on Earth. At the time of the Prophet Noah (P6UH), the culture, developed science and education of the first civilization vanished away from the Earth by flood and earthquake. It is also known that four thousand years ago the Atlantic Ocean was once the shape of a continent with different nations, where many cultures lived. According to historical findings, under the Atlantic Ocean there is a lost city called "The Atlantis" (as a continent) collapsed in consequence of universal cataclysm and earthquakes resulting into an ocean. Therefore, we see how tremendous the history of mankind is. Archaeologists and scientists are discovering innumerable relics of human civilization and history through digging and searching the soil. Many aspects of our current civilization is likely to be wiped away completely from the Earth after the year 2020 AO. Human beings will build up the third civilization as indicated in The Sacred Holy Al-Quran, The Tawrat, and The Zabur, The Bible (Ingil), The Kalki Puran (Hindu Sacred Text) and others.

It is confirmed that, Saudi Royal King Salman Bin Abdul-Aziz along with his son Mohammad Bin Salman are not at all Muslim nor do they represent any faction of Islam. It is also confirmed, that Mohammad Bin Salman is directly working for the Interest of Benjamin Netanyahu of Israel and Donald Trump of USA. The Young generations of Arabian Peninsula already have awoken up to the Immoral of actions of Saudi Monarchy. If s only matter of days to bring about a complete annihilation of Saudi Monarchy along with their accomplices UAE, Egypt, Kuwait, Qatar, Oman and Bahrain will also face the same fate of punishment by the arrival of Imam Mahdi (PBUH), which is validated by the Young "Arab Spring" Movement.

His Eminency Dr. Hazrat Sheikh Shah Sufi M N Alam is inviting the President of Turkey and OIC (Organization of Islamic Cooperation) Recep Tayyip Erdoğan, The Prime Minister of Pakistan Imran Khan and The Prime Minister of Malaysia Dr. Mohammad Mahathir to prepare for the work of imam Mahdi's World Peace Mission. The current World Situation is a direct threat to Islam and True identity of Prophet Mohammad SM as well as his legacy, Therefore It is your outmost duty to work together to uphold the dignity of Prophet Mohammad SM to pave the way for the arrival of Imam Mahdi (PBUH) & Jesus Christ (PBUH) for the establishment of Ultimate Peace. The Organization of Islamic Cooperation (OIC) will play an effective role to be organizing the Muslim Army to work and support for the World Peace Mission of Imam Mahdi (PBUH) and International Security to eliminate all the Super Powers along with their superiority and attitude.

In 1917 After the First World War the United Kingdom has declared the support for "IrKleperuient Jewish State" in Palestine with the Belfour Declaration. Again in May 14* of 1948 The UK contributed with other Super Powers to establish the State of Israel on the larwj of Palestine- The United Kingdom's involvement in the establishment of Saudi Arabia and Israel led to their complete destruction as a Kingdom *around* the Worid. Since 1945, TTje United Nations has been completely paralyzed and does not play any effective role for the International Peace and Security. This World Federation (UN) is only irking for the irrterest of Israel and USA along with other Super Powers. All of these conspiracies must be paid with severe Punishment by the regime of Imam Mahdi (PBUH). Millions of Muslims are suffering In India by the oppressive ruler of Narendra Modi. These oppressed rulers have no care for United Nations Charters or Resolutions. There are Billions of sufferers around the globe, especially Palestinians, Syrians, Yemenis, Kashmiris of India,

Handwritten signature and date: 11/29/20

Rohir)gyas of Myanmar and Uyghurs of China; All the sufferers around the globe will be free of oppressed and tyrant rulers also will have the Ultimate Safety and Security by the Imam Mahdi's World Peace Mission.

WORLD SPIRITUAL ASSEMBLY

(A CONFEDERATION OF THE ASSEMBLY OF THE WORLD RELIGIOUS & SPIRITUAL LEADERS)

Subject: The Organization of Islamic Cooperation (OIC) should take an attention to implement a proposal and discuss the matter and call for special executive meeting to establish a Universal Guidelines for the Appointment of qualified Imams and Khateebis in accordance of the Holy Quran for the Holy Mosques of Masjidul Haramain at Mecca-tul-Mokarrama, Masjid-E-Nabawi of Medina-tul-Munawarra, Masjid-ul-Aqsa at Al Quds, Jerusalem along with Masjidul Nameri, Mina, Mecca-tul-Mokarrama, also all of the National Mosques of the Muslim countries to follow a Universal guideline with proper protocol of the Imam for the benefit of Muslim World.

Dear His Excellency Mr. President Recep Tayyip Erdogan:

The Universal Sanctity, Sacredness and dignity of the Holy Masjid-ul-Haramain of Mecca-tul Mukarrama, Masjidul- Nabawi of Medina-tul Munawarra also Masjidul-Aqsa of Al-Quds, Jerusalem are infinite, The beloved Prophet Hazrat Mohammad (SM) stated that, "When a believer bows his head in shejda in Masjid-ul-Haramain than he/she receives hundred thousand shejda rewards, similarly when a believer gives shejda at Holy Masjidul-ul-Nabawai than he/she receives infinite Shejda reward (according to Wahabi, Salafi and so-called Sunnis reward is Fifty thousand) also when a believer gives shejda at Holy Masjidul-Aqsa at Al Quds, Jerusalem than he/she receives fifty thousand shejda reward, also 500 shejda rewards for all the Jamat of Jumah Prayers in all the Jumah Masjids of the Planet Earth". Almighty Allah has raised the sanctity, sacredness and dignities of all the above mentioned Holy Mosques along with the most important Holy Jamat of Day of Arafah during Eid-ul-Adha also the Friday Jumah Prayer Jamat held at all the national Masjids of all the Muslim Nations of the World in accordance of Prophet Mohammad (SM)'s authentic Hadith and Holy Quran. Unfortunately, the Imams of majority of the Holy Masjid do not hold any knowledge or qualification in accordance of the Holy Quran Surah Tawbah, Surah Mumin and Surah Ahzab. Mr. Recep Tayyip Erdogan you were once the Imam while selling lemon juice in the street, did you have such qualification in accordance of Surah Tawbah, Surah Mumin and Surah Ahzab of Holy Quran to be a Imam of your local Mosque than? Most recently, Saudi Wahabi SelaFi Clerics have appointed Muhammad bin Abdul Karim al-Issa as imam of Masjid Nameri along with the responsibility to lead the Eid- ul-Adha Prayer at Arafat during Pilgrimage; he has been actively supporting the Zionist and fanatic Jewish propaganda against Muslims in Palestine. Moreover, he is not even a Mumin but a direct fanatic Jewish agent; but Mr. Erdogan you have not raised any voice against such heinous crime committed by Saudi Wahabi SelaFi clerics, you must upgrade yourself mentally, physically and spiritually or else you have to answer to Almighty God on the Day of Judgment. It may be mentioned here that, in 1986 during Eminency's visit in Mecca he was honorably received by Chief Imam Sheikh Sobhail Bin Abdullah Deputy Custodian of both the Holy Mosques of Mecca and Medina along with all the Imams of Holy Mecca and amongst them the current King Salman bin Abdul Aziz was also present as third category (part-time) Imam of Holy Mecca to look after custodianship of both the Holy Mosques designated by his half-brother King Abdullah bin Abdul Aziz; while he was the provincial governor of Riyadh.

According to Sahih Hadith, "Hazrat Ibrahim (AS) was the first one to set boundaries for Hudude Haram. Prophet Ibrahim (AS) sustained the boundaries of Haram as per advised by Angel Jibrael (AS). These boundaries were kept the same until

G

Prophet Muhammad (SM) sent Hazrat Tamim Ibn-e-Khazai (RA) to rebuild the boundaries." Maqam Ibrahim is a place (station) inside the Holy Masjidul Haramain of Holy Mecca where the miraculous stone carrying the impressions of the feet of Prophet Ibrahim (AS) is present, it is also the center of Earth; this is the secret place where Prayers are accepted.

In Accordance of Holy Quran The dignity and Status of Holy Kaabah of Mecca-tul Mokarrama

Following are many verses of the Holy Quran confirming the Sanctity and dignity of the Holy Kaaba and Sacredness of Hudude Haram of Holy Mecca.

Surah Al-Imran Verse 96	Translation; Indeed, the first House (of worship) established for mankind was that at Bakkah [i.e., Makkah] • blessed and a guidance for the worlds.
Surah Baqara Verse 127	Translation: And remember Prophet Ibrahim and Prophet Ismail raised the foundations of the House (With this prayer); "Our Lord! Accept (this service) from us: For Thou art the All-Hearing, the Allknowing.
Surah Hajj Verse 26	Translation; And remember when We assigned to Abraham the site of the House, saying, "Do not associate anything with Me in worship and purify My House for those who circle the Ka'bah, stand in prayer, and bow and prostrate themselves.
<p style="text-align: center;">«• ^</p> Surah Baqara Verse 125	Translation: And when We made the House (at Makka) a resort for mankind and sanctuary, (saying): Take as your place of worship the place where Abraham stood (to pray). And We imposed a duty upon Abraham and Ishmael, (saying): Purify My house for those who go around and those who meditate therein and those who bow down and prostrate themselves (in worship).
<p style="text-align: center;">^ Cji- ui». £.1 'jj> pj- :v</p> Surah Ankabut Verse 67	Translation: Do they not then see that We have made a sanctuary secure, and that men are being snatched away from all around them? Then, do they believe in that which is vain, and reject the Grace of Allah?
<p style="text-align: center;">» U 4 I ' i U , - r f i r V</p> Surah Quraish verse 1-4	Translation: 1. For the covenants (of security and safeguard enjoyed) by the Quraish; 2. Their covenants (covering) journeys by winter and summer; 3. let them worship the Lord of this 'Sacred' House; 4. Who provides them with food against hunger, and with security against fear (of danger).
<p style="text-align: center;">f</p> Surah Fil Verse 1-5	Translation: 1. Have you not seen 'O Prophet' how your Lord dealt with the Army of the Elephant? 2. Did He not frustrate their scheme? 3. For He sent against them flocks of birds; 4. that pelted them with stones of baked clay; 5. leaving them like chewed up straw.
<p style="text-align: center;">' ^ 1 ■ ■ • i - * * - ' 4 ' * ' f / ^</p> Surah Tin Verse 1-8	Translation: 1. By the fig and the olive; 2. and Mount Sinai; 3. and this secure city of Mecca! 4. Indeed, We created humans in the best form; 4. Then we reduced him to the lowest of the low; 5. except those who believe and do good—they will have a never-ending reward. 6. Now, what makes you deny the 'final' Judgment? 7. Is Allah not the most just of all judges?

O

Surah Al-Jumu'ah Verse 9	Translation: O believers! When the call to prayer is made on Friday (Jumah Day), then proceed 'diligently' to the remembrance of Allah and leave off 'your' business. That is best for you, if only you knew.
Surah Tawbah Verse 28	Translation: O believers! Indeed, the polytheists are spiritually impure, so they should not approach the Sacred Mosque after this year. If you fear poverty, Allah will enrich you out of His bounty, if He wills. Surely, Allah is All-Knowing, All-Wise.

It may be mentioned here that, in 1988 in the midnight of Friday at Holy Medina Masjid E Nabawai, Sheikh Dayemullah (RA) started saying, "Allah Hu Akbar, Allah Hu Akbar" and called Eminency "Come in front of me, there is a very good news for you, The Prophet Mohammad (SM) indicated to me with the Spiritual announcement about the Key of the Holy Kaabah which will be in the hand of Dr. Alam during the arrival of Imam Mahdi (PBUH)". Later this information was acknowledged by Dr. Sheikh Al-maliki Al Refai of Mecca whom was the vice-custodian of Holy Mecca and Medina and empowered by the King Abdullah of Saudi Arabia to Holy Mecca's Gilaf (Kiswa) assembly committee and also the coordinator of Holy Kaaba's Door Key, till now the descendants of Bani Shaiba had been custodian of the Key of Kaabah.

In 1985, Former Late Chief Imam Dr. Sheikh Sobhail Bin Abdullah of Holy Mecca, President General of the Affairs of the Grand Mosque and the Prophet's Mosque, member of the Council of Senior Religious Scholars and as a member of the Islamic jurisprudence understood the complexities between the Sectarian chaos and complexities of Wahabi, Salafi and Sunni sects, after he officially visited Holy Dayera Sharif, at Azimpur, Dhaka, Bangladesh along with Sheikh Taha of Chairmen of Holy Mecca's International Quran Research Institute of KSA.

According to Holy Quran Surah Tawbah, Surah Mumin and Surah Ahzab there are 75 conditions a believer must meet to be titled as "Mumin"; without achieving such title an individual cannot lead or be appointed as Imam of the Holiest sanctities such as Holy Mosque of Masjidut Haramain at Mecca-tul-Mokarrama, Masjid-E-Nabawi of Medina-tul- Munawarra, Masjid-ul-Aqsa at Al Quds, Jerusalem along with Masjidul Nameri, Mina, Mecca-tul-Mokarrama, also all of the National Mosques of all the Muslim Countries.

Following are the verses of Holy Quran Surah Tawbah, Surah Mumin and Surah Ahzab;

Surah Tawbah Verse 111 of Holy Quran

كُلٌّ اٰمٍ | Translation: (9:111) Surely Allah has purchased of the believers their lives and their belongings and in return has promised that they shall have Paradise. They fight in the Way of Allah, and slay and are slain. Such is the promise He has made incumbent upon Himself in the Torah, and the Gospel, and the Qur'an. Who is more faithful to his promise than Allah? Rejoice, then, in the bargain you have made with Him. That indeed is the mighty triumph.

<p>Surah Tawbah Verse 112 of Holy Quran</p>	<p>Translation; [9:112] Those who constantly turn to Allah in repentance, who constantly worship Him, who celebrate His praise, who go about the world to serve His cause, who bow down to Him, who prostrate themselves before Him, who enjoin what is good and forbid what is evil, and who keep the limits set by Allah. Announce glad tidings to such believers.</p>
<p>Surah Al-Mumin Verse 1-11 of Holy Quran</p>	<p>Translation: (23:1) The believers have indeed attained true success: (23:2) those who, in their Prayers, humble themselves; (23:3) who avoid whatever is vain and frivolous; (23:4) who observe Zakah; (23:5) who strictly guard their private parts (23:6) save from their wives, or those whom their right hands possess; for with regard to them they are free from blame " (23:7) As for those who seek beyond that, they are transgressors" (23:8) who are true to their trusts and their covenants, (23:9) and who guard their Prayers. (23:10) Such are the inheritors (23:11) that shall inherit Paradise; and in it they shall abide forever.</p>
<p>Surah Ahzab Verse 35 of Holy Quran</p>	<p>Translation: (33:35) Surely the men who submit (to Allah) and the women who submit (to Allah), the men who have faith and the women who have faith, the men who are obedient and the women who are obedient, the men who are truthful and the women who are truthful; the men who are steadfast and the women who are steadfast, the men who humble themselves (to Allah) and the women who humble themselves (to Allah), the men who give alms and the women who give alms, the men who fast and the women who fast, the men who guard their chastity and the women who guard their chastity, the men who remember Allah much and the women who remember Allah much; for them has Allah prepared forgiveness and a mighty reward.</p>

All true believers believe that mankind in the present has come into existence through the first creation man and second creation woman. Prophet Adam (PBUH) and Eve (PBUH). Since Prophet Adam (PBUH), more than one hundred twenty four thousand prophets have been chosen by Almighty God to serve innumerable communities in different times. Almighty God had sent down several Holy Books such Zabur was sent on follower of King David (Prophet Dawud), Torah (10 Commandments) was sent on follower of Moses or those who follow the path of Judaism, Gospel/Injeel/Bible was sent on follower of Jesus Christ or those who follow Christianity; unfortunately both the Holy Books (Torah, Zabur, Injil) sent by Almighty God had been misinterpreted and compiled for their own interest by their own religious leaders Jewish Rabbis and Christian Priests. Such is also true for peoples who follow the Hinduism or Buddhism, Hinduism practices concept of caste and their So-called Holy books are nothing but ancient myths and cock and bull stories of parables where they worship many Gods (thirteen hundred million So-called Gods/VAGOBAN); while losing the main essence of actual reality of theology. It may be mentioned here that, Gautama Buddha was a great person of the world but his followers have been

misguided and lost their ways by worshipping him as God.

Finally, Almighty God had sent down the Holy Al-Quran to people of Prophet Mohammad (SM) (PBUH) in the Arabian peninsula, since Almighty God had promised thru the Holy Quran Surah Al-Anam Verse 115 that, "The Word of your Lord has been perfected in truth and justice. None can change His Words. And He is the All-Hearing, All- Knowing." But unfortunately due to the conspiracies led by fanatic Jews and Christians along with immoral, power hungry greedy leaders like Abu Bakar, Umor and Moabia ibn Abu-Sufiyan and their predecessors of the Ummayyad and Abbasid caliph had destroyed the back-bone of real truth of Islam after the departure of Holy beloved Prophet Hazrat Mohammad (SM).

During the Ummayyad and Abbasid caliphates several family members of Ahlul-Bayt was killed. Hazrat Jafar Al-Sadiq (RA)

was murdered with poison in 765 AD by fanatic Caliph Al-Monsur. During the Abbasiyad Caliphate there were several So-called Caliphs that wanted the support of Family members of the Prophet Mohammad (SM) (Ahlul-Bayt). In 763 AD, Abbasid Caliphate under the reign of hypocrite Caliph Harun al-Rashid offered Hazrat Imam Abu Hanifa (RA) to be the Chief Judge of the State of Baghdad but he profoundly refused. In 818 AD, Hazrat Imam Ali Reza (RA) was murdered because he did not show his support for the hypocrite Caliph Al-Mamun. Doctrinal differences between Sunni and Shi'a Islam began to become more pronounced during this Abbasid reign. Imam Ibn Hanbal (RA), the founder of the Hanbali Spiritual Sufi Order training Institute, became famous for his opposition to At-Mamun. It may be mentioned here that, amongst the Ummayyad Caliph Umar ibn Abd al-Aziz was the only true pious Caliph of Ummayyad Dynasty, along with Salah Uddin Ayubi of 1174 AD. ruler of Baghdad, Nur ad Din Zangi of 1154 AD ruler of Syria, Shams ud-Din Itutmish of Delhi Sultanate (whom led the prayer for Hazrat Bakhtiar Kaki (RA) and established Qutub Minar in Delhi) of 1211 AD, Alauddin Khajji of Delhi Sultanate in 1290 AD as well as Aurangzeb of Mughal Dynasty of 1658 AD. More details of Ahlul-Bayt family and their importance can be found on Ahlul-Bayt Edition-2 ISBN: 97805-786-47722.

In 1187 AD greatest Islamic Ruler of Baghdad Sultan Salah Uddin Ayubi (RA) with the conquest of Jerusalem under his dynamic leadership with his 20,000 strong soldiers attacked and killed over 40,000 Christian Crusades and liberated Jerusalem; he understood the deception and camouflaging games and conspiracy of the fanatic Jews amongst the Muslims and Christians. Furthermore a platoon of soldiers were trained as Jewish spies under the command of Salah Uddin Ayubi (RA), whom had revealed and killed over 3000 Jewish spies disguised as Imams and Priests in various Masjids and churches after they infiltrated various Muslim and Christian Communities in Jerusalem, Palestine as well as throughout the middle-east region.

'Aidh ibn 'Amr reported in Sahih Muslim: The Prophet (SM) (PBUH), said, "Verily, the worst of shepherds (religious Leaders) are the cruelest. Beware, in case you be one of them." Prophet further stated during the Akheri Zamana the characteristics of the religious leaders (Imams of Mosque including Mecca and Medina) will be worst. Religious teachings will become a profession in exchange of money and material gain; it may be mentioned here that. Prophet Mohammad (SM) also prophesied that, "Before the Arrival of Imam Mahdi (PBUH), There will be 73 sects of Muslims but only one sect will reach Paradise and rest will go to Hell fire". There will be arguments in Mosques, Churches, Synagogues or Temples (places of worship) over issues having nothing to do with prayer or worshiping God. Prophet further prophesied that, "Leaders of the nations will have worst characteristics like criminals". Unfortunately, we are living at a time when every single of Prophecy foretold by Hazrat Mohammad (SM) had come true.

Currently all the religious platforms like Synagogues, Churches, Mosques, Hindu Temples and Buddhist Temples in the world are represented by worst, despicable, evil-minded, immoral so-called religious leaders (Jewish Rabbis, Christian Priests, Muslim Imams, Hindu Sadhus, Buddhist monks); they are all engulfed in worldly desires, all they seek is material gain, majority are involved in illicit Sex and fornication. Majority of the inhabitants of this world, especially intellectuals educationalists, political leaders, bureaucrats. Police, Armed Forces, Religious Spiritual leaders characteristics had been completely destroyed physically, mentally, psychologically and spiritually. They all are selfish and their attitude and gratitude are self-centered and they all are hypocrites and only hungry for more wealth for which they are always making camouflaging game to earn money by victimizing innocent people's lives Since World Leaders are corrupt and completely demoralized. World leaders include: "Donald Trump" - a fraud, criminal, cheater, gambler, womanizer - became president of the United States; "Emanuel Macron" - an immoral thief, cheater - became president of France; "Benjamin Netanyahu and his gangster Prime Minister Neftalli Bennet, Yasir Lipid are complete hypocrite. Immoral criminal became prime minister of occupied Israel, Kim Jung-un of North Korea immoral, womanizer and Criminal self-proclaimed Leader of North Korea; "Narendra Modi" - A illiterate street tea seller has become a Prime minister whom is

an Hindu Fundamentalist Gangster and powerful self-proclaimed leader of India; "Mohammad Bin Zayed" of UAE & "Mohammad bin Salman" of KSA are descendant of Robbers of Arabian Dessert, they are immoral criminals. Womanizer, gambler and Wahabi but become self-proclaimed leaders of Arabian Peninsula. Finally, "Sheikh Hasina", "Khaleda Zia" and "Aang San Su Kye" So-called housewife non-politician, immoral, non-country patriotic individuals became leaders of South Asian Countries like Bangladesh and Myanmar. Unfortunately this is the sad state of World today; peoples and their nations are led by illiterate

immoral criminals, murderers, thugs and gangsters.

We are now living in the Akheri-Zamana meaning the last days before the arrival of Imam Mahdi and resurrection of Jesus Christ and followed by the Day of Judgment which had been proclaimed by Holy Prophet Hazrat Mohammad (SM) and made the statement in authentic Hadiths.

Following are the Imams of Holy Mosques and Nationals Mosques of various Muslims Countries:

In 20th century the camouflaging games and conspiracies of the fanatic Jews had exceeded far beyond the comprehension of the general people. Great Britain and their European fanatic Jewish worked tremendously to eliminate and abolish Sufism from Islamic countries; The Story of Lawrence of Arabia by Colonel Thomas Edward Lawrence, Indian Musolmans by Sir William Wilson Hunter, and Indian Muslims by Syed Amir Ali can shed light on how they infiltrated and colonized various Muslim Nations. Although many consider it a conspiracy, the British Empire was successful in planting secret agents throughout the Ottoman Empire. Most crucially, Mostofa Kamal Pasha is seen as the solitary Jewish agent who overthrew the Ottoman Caliphate. Wahabi Ideology's entrance to the Arabian Peninsula, with British backing of Saudi Kingdom, caused the most harm to Sufism and back-bone of Islam. In the early 19th century in the Indian Subcontinent, the British Empire used Jamaat E Islam, Deobandi, and Tablighies together with Bin Baz, Abu Ala Maududi, and Zia Uddin Baba Khan (Grand Mufti of Soviet Union, Moscow). Today, the fanatic Jews working closely with the fanatic Hindus via RSS and use Wahabi equivalents to convey fake manufactured ideology through Zakir Naik, Golam Azam, Kamal Uddin Jafri, Mizanur Rahman Azhari, Abdur Razzak bin Yusuf and other so-called Muftis and scholars as well as organizations like ICNA or MUNA in North America and Europe that act as if they know and practice the actual truth of Islam but in reality they are destroying the back-bone of the real true Islam. They are using the same technique as they did during the time of Salah Uddin Ayubi (RA). There are so many so-called Islamic speakers and YouTube Sheikhs that are misrepresenting and spreading false and fabricated knowledge of Islam; specially on the importance of how to respect, honor and love the beloved Prophet Mohammad (SM) by using Wahabi, Selafi, ideologies.

Therefore, the World Spiritual Assembly and its religious spiritual leaders urges the QIC to establish a Universal Guidelines for the Appointment of qualified Imams and Khateebis in accordance of the Holy Quran by establishing a Sharia Board led by real practitioner of the Sufi's Supreme Council; the Sharia board must not at all have any follower of Wahabi, Salafi, Shiite or Sunni ideologies and Sharia Board must be recognized by the competent authority of QIC. An Imam must have complete vast knowledge of the Holy Quran and Islamic faith and of spiritual and religious laws. Imam is not only a spiritual and religious leader of the individual followers of Islam; he is also a social and political leader for the religion itself. He must have the courage to lead well and do what is best for the Islamic faith in society while staying true to Islamic values and beliefs. Rules for being an imam include demonstration of high morals and ethical standards that are above reproach. The Imam MUST show Proper Love, Respect and Honor for the beloved Prophet Mohammad SM and his Family Members, With their attitude, gratitude and actions; Imam must strive to be pure, praiseworthy and deeply spiritual along with 75 more conditions according to Holy Quran Surah Tawbah, Surah Mumin and Surah Ahzab; only than the imam will be able to bridge gap between Almighty God and his beloved Prophet Hazrat Mohammad (SM). Their ranks and status must be raised; they must be given the rank of Grand Mufti also Senior Minister in developed Muslim countries and State Minister for poor Muslim Countries.

Prophet Hazrat Mohammad SM (PBUH) is the Awaleen (First), Akhereen (Last), Mustafa (The Chosen/ Appointed, Holy Quran 22:75), Muzam'mil (The Shrouded, Holy Quran 73:01), Ya'sin (Holy Quran 36:01), Shafiul Majnabeen (The Intercessor, Holy Quran 4:64), Uswatun Hasanah (The Model of Excellent Conduct, Holy Quran 68:4), Khayr ul-Bashr (The Best of Mankind, Holy Quran 33:21), Rahmat'urill Al-amin (Merciful and Compassionate to All Creations of Almighty, Holy Quran 21:107), Khatemin Nabiye'en (The Last Seal of All Prophets, Holy Quran 33:40), Nuri'mmin Nur'Allah (The Light of Allah, Holy Quran 5:15), Most certainly He is Habib'Ullah (The Beloved of Almighty Allah) and he was directly taught by Almighty Allah (Holy Quran 53:5). His Eminency Dr. Hazrat Sheikh Shah Sufi M N Alam States, If you want to be a True Muslim and a Mumin with Imam's qualification You MUST show Proper Love, Respect and Honor for the beloved Prophet Mohammad SM and his Family Members, With Your attitude, gratitude and actions along with having 75 more conditions in accordance of Holy Quran Surah Tawbah, Surah Mumin and Surah Ahzab.

The religious and spiritual leaders of World Spiritual Assembly are against fanatic Jewish agent newly appointed Imam Muhammad bin Abdul Karim al-Issa of Masjid Nameri, Imam of Eid Ul Adha Prayer for the Muslim World Participants. The World Spiritual Assembly and its religious and spiritual leaders are urging the OIC to take immediate action to remove and replace the newly appointed Imam Mohammad Al-Issa from all of his Imam duties along with his Secretary- General Position of Muslim World League of Mecca-tul-Mokarrama.

The current World Situation and the so-called unqualified hypocrite Imams such as Mohammed al-issa are direct threat to Islam and True identity of Prophet Mohammad SM as well as his legacy, Therefore It is the outmost duty of OIC and Arab League to work together to uphold the dignity of Prophet Mohammad SM to pave the way for the arrival of Imam Mahdi (PBUH) & Jesus Christ (PBUH) for the establishment of Ultimate Peace. The Organization of Islamic Cooperation (OIC) and Arab League should play an effective role to uphold the Sanctity, sacredness and dignity of the Holy Masjid-ul- Haramain of Mecca-tul Mukarrama, Masjidul-Nabawi of Medina-tul Munawarra also Masjidul-Aqsa of Al-Quds, Jerusalem; most importantly OIC must work for the support of World Peace Mission of Imam Mahdi (PBUH) and International Security to eliminate all the Super Powers along with their superiority and attitude. If the governments or leaders of the Muslim Nations do not take necessary steps to establish a competent Sharia Board recognized by the OIC for the appointment of qualified Imams and Khateebis in accordance of the Holy Quran; than World Spiritual Assembly and its religious and spiritual leaders issues a Final Warning to those World Leaders, Heads of states.

Soon another Salah Uddin Ayubi will appear to pave the way for the reemergence of Jesus Christ (PBUH) by eliminating all Zionists, fanatic Jews and their plots and liberate Jerusalem. Jesus Christ (PBUH) will exercise his Spiritual Super power to liberate his birth place Bethlehem from the control of Anti-Christ (Dajjal) along with his 70,000 Jews whom had been rehabilitated in west bank by the active cooperation of Hypocrite US President Donald Trump, and Occupied Israeli President Benjamin Netanyahu and Zionist gangsters. Afterwards, Imam Mahdi (PBUH) will hand over all the spiritual relics sent by Almighty God such as Prophet Sulaiman's Haikal E Solaiman, Ring of Prophet Sulaiman, and spiritual stick of Prophet Moses. Jesus Christ will eliminate So-called Israel and develop Bethlehem as his Spiritual and Administrative Kingdom; Jesus Christ will get married and rule the World from Bethlehem for 7 years to co-create heaven on Earth. After his 7 years of reign, he will depart this world and his grave will be inside the Masjid-e-Nabwai next to Prophet Mohammad (SM).

Finally, Imam-uz Zaman, Imam-ul Haq the Great Imam Mahdi along with reemergence of Jesus Christ (PBUH) will completely annihilate and punish the misguided followers of Prophet Moses and Jesus Christ; those who betrayed the Prophets and the Almighty God's orders like the Torah, and the Old Testament of Bible as well as for their hypocrisy to instigate chaos and complexities around the planet Earth. This is the universal truth and it is crystal clear all groups of misguided followers of Moses, Jesus Christ and Hindu

Waiting, but for Vih%7/Despair in Squalid Camps

Left Behind, 240,000 Pakistanis Languish in Bangladesh

By Barry Bearak
New York Times Staff

RANGPUR, Bangladesh — The world ceaselessly chums out human tragedy. The newly conquered. Newly dispossessed. Newly hungry. Newly diseased. Newly destitute. One calamity overtakes another, and the 240,000 "stranded Pakistanis of Bangladesh" know they are the leftover unfortunates of distant yesterdays.

For 29 years, they flux, been spread across this nation in 66 squalid camps, each a tightly packed thicket of shacks. They live as refugees, though theirs is a more peculiar predicament. They did not leave their country; their country left them.

In 1947, the newly created Islamic Republic of Pakistan had an East and a West, two large chunks of territory with the behemoth India in between. In 1971, the East won a war of independence and became Bangladesh. Left behind were those who had been loyal to Pakistan, some of them active collaborators. In victory, they would have been patriots. In defeat they were traitors.

They sold their property or had it confiscated. They were herded into camps, often for their own protection. Their decided preference waste leave the new nation and go to the part of Pakistan that

still existed. They expected to be welcomed. Their waiting began. Three decades later, they wait still.

But for what? Once, they thought of Pakistan as the promised land. Now, many are unsure they would go even if they had the chance. Steeped in inertia, enmeshed in poverty, they are waiting because waiting is what they do. Even the most stalwart now wonder whether they have sacrificed their lives to a sad folly.

"Look at me: I am going to die here," said Mohammed Jainul Abedin, a frail 70-year-old. He lives in a camp in Rangpur, a small city in the northwest. A stroke has disabled his arm. His spirit suffers a paralysis as well. His face crumpled with lean. "Who thought we would spend 30 years living in a filthy camp?" he said.

His son, Mohammed Zabir, was standing near. Like most families in the camp, they live in a cramped shack, their small space reconfigured into tinier nooks with the marriage of every son and the birth of each baby.

On one wall they have hung posters of elegant U.S. farmhouses, with broad porches behind white picket fences. "They make the room look beautiful," Mr. Zabed said. "Of course, if you walk outside, you are back in the filth."

The government provides the camps free elec-

tricity, water and a ration of wheat. The camps are not prisons. People can move out, though few do. Without money, they say, there is no way to make a fresh start. They have grown used to their limbo, waiting futilely as Bangladesh and Pakistan figure out which is to keep them.

"These two countries, they each try to throw the ball — or should I say the people — into the other's court," said Mohammed Mohi-ud-Din, the legal officer for the office of the UN High Commissioner for Refugees in Dhaka, the capital of Bangladesh. "It's quite pitiful. Pally And no one seems to be doing anything about it."

INDEED, his own agency offers no help. The stranded Pakistanis do not qualify under the United Nations definition of refugees. They are waiting to flee, but have not yet fled. Here in Bangladesh, as well as in Pakistan, people in the camps are known as Biharu. In 1949, when India and Pakistan were loosed from the British empire, millions of Muslims left largely Hindu India, some going east, some west. Those going east were called Biharis because most had come from the Indian state of Bihar. In India, their religion had made them a minority. In East Pakistan their language did the same. The majority spoke Bengali. They spoke Urdu. The Biharis never quite melded into the larger

population. After Bangladesh became independent, their preference for Pakistan seemed natural, and in those early days, 160,000 made the journey. But then the flow suddenly stopped, with each nation blaming the other, or the other.

Ever since, the "repatriation" has suffered and starts — but mostly fails. In 1979, 50,000 of the Biharis tried to walk their way to Pakistan. They were turned back at the Indian border. In 1988, the Muslim World League, a charity, formed a trust fund with the government of Pakistan to provide an airlift. They raised a substantial sum, but it lies unspent in a bank.

Political instability in Pakistan has been a major hindrance. Ethnic distemper pervades Karachi, the presumed spot where many of the Biharis would relocate. And Pakistanis who migrated from India are considered troublemakers much of the establishment.

Until a military coup in Pakistan last October, Mohammed Arshad Chaudri held the feckless position of counselor general for the return of stranded Pakistanis. He is a disappointed man.

"Anyone with compassion who has visited the camps would understand this is a human rights issue," he said. "But where are the human rights groups? Where are the nongovernmental organizations?"
