A two-century old dynastical religious platform for the cause of human values housed in the religiously renowned premises of Dayera Sharif, in a densely populated area of the old historical place at Azimpur at the heart of Dhaka, the capital of Bangladesh, culminated into an organizational set-up as the Dayemi Complex Bangladesh in the year 1982. This Dayera Sharif, the seat of religious and spiritual deliberation, bears 200 years old history. A lone dilapidated wall at its premises build after the Moghul structural pattern still stands as silent testimony to its glorious past. Here, from this great house the message of fraternity and universal brother-hood were preached and its values upheld by the great learned spiritual advocates occupying its seat as descendants of Prophet Mohammed (SM) (Peace be upon him). The Prophet Mohammad (SM)(PBUH) stated that, "The human beings are crowned creations of Almighty God & The descendants of Prophet Ibrahim (Abraham) (SM)(PBUH) Jewish, Christians and Muslims are cousin brothers", in accordance of The Holy Quran.

His Eminency Hazrat Shah Sufi Syed Dayemullah, the immediate past spiritual occupant of the House is the founder Chairperson of the Dayemi Complex Bangladesh which is named as such after his great family anecdote. He was devout saint with dynamic vision. His relentless efforts have gone to the formation of a spider web of the socio-economic activities of this organization throughout Bangladesh. He breathed his last breath in 1995 (May His soul rest in peace). During his 3rd visit to the Holy city of Mecca for pilgrimage in 1987 His Eminence Shah Sufi Syed Dayemullah (R.), the 42nd direct descendent and spiritual successor of the Holy Prophet of Islam Hazrat Mohammed (SM) bestowed 43rd Spiritual successor ship upon His Eminency Dr. Hazrat Shah Sufi Mohammad Nurul Alam. The Dayemi Complex has become a symbol of succor to the poor, destitute and distressed. It made a clarion call for rehabilitation of tens of thousands of people rendered homeless due to river erosion, floods, cyclones and other natural calamities. A never-ending rehabilitation process of distressed humanity has been on acceleration under the initiative and dynamic guidance of its chairperson who has fully addressed himself to the Herculean task of upliftment of that section of people who have less. It is no wonder that this spiritual saint could rightly identify the ills of his country is infested with.

Since January 1<sup>st</sup>, 1977, I contributed last 43 years of my lifetime Eighteen hours a day, my restless dynamic contribution to establish this spiritual Sufi Dynasty and the Humanitarian Socio-Economic World reknown project "The Dayemi Complex Bangladesh DCB UN Inc". Finally, I have decided to establish a final Pilot Project "Bujhorgo Ummot Nagar at Nizampur Porgana International Swaleheen Research and Development Center with Multiple plan Program and Structures" effect from June 30<sup>th</sup>, 2020 for the support of United Nations Sustainable Development Goal. Mr. Rafiq Ahmed has been designated DCB UN Representative at UN office New York and Geneva since 2010. He has been working with my historic book last eighteen years as personal assistant. At present he has been designated as DCB acting Project Director with immediate effect for the Pilot Project of Bujhorgo Ummot Nagar, Nizampur Porgana, Mirsharai, Chittagong, Bangladesh.

## **Following Gangsters of Faizi Mohammadi Ahmedullah, Ata E Noor Anwarullah, Ata-E-Dayem Mahmudullah, Deen Greenburgh so-called Muslim Deen Mohammad Abdullah**

Deen Greenburgh a cunning cheater and a fanatic Jewish converted Muslim migrated from Germany to USA; he proclaims himself, Sheikh Din Muhammad Abdullah So-Called al-Dayem. He has been working as a slow poison to destroy the Spiritual Sufi practice from all the projects of Dayemi Complex Bangladesh. This so-called Shaikh who claims to give basic Sufi teachings thru "Dayemi Tariqat" based in Illinois and many websites; His former identity known as Din Greenburgh, he was converted to Muslim by His Eminency in 1989 at the United Nations, New York with his girlfriend Eleen. They had promised to work with Eminency to be a good human being and Muslim but their main intention was to capture all Dayemi Complex Bangladesh's projects with name and fame, Which was built and established by His Eminency Dr. Hazrat Shah Sufi M N Alam since 1977 in the life time of Sufi Dayemullah (RA). His ill-motive was already spotted by Eminency in the time of Sufi Dayemullah (RA) in 1993 and consequently he was thrown out, later he left Bangladesh. After Sufi Dayemullah's (RA) eternal rest this so-called Shaikh Deen Mohammad Abdullah had went back to Bangladesh and met up with Eminency's rival group of so-called Sayeda Saleha Khatun, Faize-Mohmmadi Ahmadullah and Rokeya Begum to capture the Sufi Nurullah Waqf properties along with all of the Dayemi complex's humanitarian projects. This person had been illegally using the Dayemi Complex Bangladesh's projects like orphanage buildings also orphans at Nabinagar, Chondonaish, Chittagong as well as Dayemi Complex's fame and name to ask for donations, which he eventually using for his own personal gain along with his associates.

A point should be noted, Deen Greenburgh worked with Eminency's abandoned adopted Son Ata-E-Nur Anwarullah in Illinois and made a long term conspiracy to capture all the humanitarian projects in Bangladesh. Currently, this so called Shaikh Deen Mohammad Abdullah had started a camouflaging game in the name of asking for donations for His Eminency Dr. Alam's established orphanage projects in Nabinagar, Amairabad, Satbaria Chittagong, Jagannatpur of B-Baria also many other educational institutes.

His Eminency Dr. Hazrat M N Alam has directed his attorney of law on January 15<sup>th</sup>, 2020 at the state of New York's superior court to take legal actions with Civil and Criminal case to curb down all the illegal activities of Deen Greenburgh and his gangsters.

They have started a so-called Sufi Order named "Dayemi Tariqat" in Illinois as well as in Germany and Japan and misusing Dayemi Complex Bangladesh Projects along with 700 Years old Sufi Dynasty's fame and name. His

Eminency confirms that this individual is not a Jew nor a Converted Muslim Or Hindu but a great Cunning Hypocrite cheating the innocent peoples of Bangladesh and abroad.

A Important Point should be noted this cunning individual has been using the following picture with Sufi Dayemullah (RA) in 1993 along with Justice Ruhul Islam of Bangladesh Supreme Court and misguided several family members of Sufi Dayemullah (RA) and convinced them he was good moral person but he was filled with ill motives and utilizing illegally Dayemi Complex Bangladesh's humanitarian projects along with 700 years old Sufi Dynasty's Sufi Order and misrepresenting the Muslim Sufism around world.

Figure 28: Picture Given above So-called Deen Mohammad Abdullah on the Left in White with his associates and Govt. Pronounced Terror Suspect Annanda Dada of India on the Right in 1993 With Sufi Dayemullah (RA) and Justice Ruhul Islam.

In 1993, When Deen Greenburgh started his ill minded camouflaging game, he was also an associate with Annando Mark, who is member of international terrorist from India possible member with Al-Qaida. The pictures of Deen Greenburgh along with Annando Mark are given below. His Eminency Dr. Alam urging to the Government of United States of America, Government of Bangladesh as well as Govt. India to curb down the immoral and terror activities of Deen Greenburgh and his associate Annando Mark here in USA, as well as in Bangladesh and India. Currently this notorious individual Deen Greenburgh living at 100 E. Jackson St. Suite C Carbondale, IL 62901, USA and in Ibrahimpur Sufi Azmatullah (RA) orphanage in Ibrahipur, Nabinar PS B-Baria, Bangladesh, which was founded by His Eminency Dr. M N Alam. Deen Greenburgh's associate Shema Jamaluddin and Rahima-Regina Flocco are using the following address to illegally misrepresenting Dayemi Complex Bangladesh asking for funds for orphanage projects of Dayemi Complex Bangladesh but looting all the money from USA, Germany, Japan and many other countries around the world. If the Govt. of USA checks this individual's background with Social Security since 1989 his source of Income you can determine that he was an illiterate and homeless person staying with his girlfriend Ms. Eleen at 14th St Union Square Manhattan, NY. He married

several innocent women and staying with them at his Illinois home. He should be charged with bigamy case.

Figure 29: Picture Given Below of So-called Shaikh Din Mohammad Abdullah Al-Dayemi & Dada Annand

“Dada Annand” associate of Terror group “Annando Mark of India” in Bangladesh. This individual is pronounced Terror Suspect by Govt of India and Bangladesh. (Picture Given above) Bangladesh Police Criminal Investigation (CID) has started investigation against these criminals to curb down their immoral activities.

Above Picture of Shema Ruperto One of The Wife of Deen Greenburgh and Deen Greenburgh himself, misusing the Orphans of Sufi Azmatullah (RA) Orphanage in Ibrahimpur Nabinagar of B-Baria to collect donations. He also has links with Annanda Mark, a known terrorist of India along with ISIS terrorist groups around the world. The government of Bangladesh Police’s Criminal Investigation Department (CID) already has started several cases and investigations against this hypocrite Deen Mohammad Abdullah “Al-Dayem” and his associates for their illegal activities to misuse the Sufi Azmatullah (RA) orphanage as well as its orphans. A Important point should noted, He has several sleeping partners and wives, he misuses them to collect donations and utilize it for their own personal gain. The government of Bangladesh, and the government of USA are requested to curb down all his immoral activities. He is currently using “<https://forkidsake.net>” website to misuse the name and fame of Dayemi Complex Bangladesh’s humanitarian projects.
